Dear Andy:

Many thanks for your thoughtful letter which we appreciated very much.

I am enclosing a Directory of Trade Unions published by the Ministry of Labor in 1961. This directory is not up-to-date but should be valuable to you for preparing a mailing list of local unions throughout the country. I am also enclosing a copy of a Directory of Labor Organizations in Brazil covering the six existing national confederations and their various affiliated federations as well as other major unions not affiliated with a national center. I hope these publications will be useful to you in preparing your mailing list for AFL-CIO publications in Portuguese.

As we accumulate additional and more up-to-date information we will try to keep Dan Montenegro and Joc Bazan informed so that they may in turn be of assistance to you in revising your mailing lists.

I will follow up with a letter on the AFL-CIO Free Trade Union News.

Gladys, Liz and Mike join me in sending their warmest regards,

Sincerely yours,

Herbert W. Baker  
Labor Attaché
