Winchester, Massachusetts - Peg Schleicher, Director of the Jumelage Committee and founder of Winchester's after school French language program writes: "After School Language Clubs" is in its second year and enrollment is increasing!" This year, 75 students in grades K-5 (9 classes and 6 teachers) enrolled in the after school program. The Jumelage Committee is so proud of the program's success they are considering expanding it to include middle school age children with high school language students as teacher assistants.
