### Brown Plays Trinity — Second Team Plays Providence

#### Y. M. C. A.

The management of the basketball team has furnished a double event for this evening. Besides the regular game with Trinity a game between the second team and the Providence Y. M. C. A. has been arranged. Great interest should be taken in this program and a large number should turn out, for the Trinity team gives every promise of putting up a stubborn and exciting game. Several of the fast five that succeeded in rolling up 16 points against Brown's 1 last season are on the team this year, and their schedule so far has been successfully carried out. The worst defeat registered against them they suffered from Williams by a score of 27 to 7, in about the same proportion as the score of the Brown-Williams game.

Owing to an injury to his thumb received in the Harvard game Capt. Ray will probably be unable to play. One or two others of the team have minor injuries, which will not, however, keep them out of the lineup. The second team have been doing good work all season and will put up a fast game against the new Y. M. C. A. team, which will play its first game this evening. Reserved seats have been put on sale and may be secured at the office of the Gymnasium.

The first and second teams will line up as follows:

| FIRST            | SECOND  |
|------------------|---------|
| Dewolf f.....f   | Harding |
| Ingalls f.....f  | Davison |
| Davison f.....f  | Butler  |
| Smith c.....c    | Briggs  |
| Leland c.....c   | Hatch   |
| Schwinn g.....g  | Bakeman |
| Gallison g.....g | Brown   |

### Brown Notes.

C. A. Phillips, '02, who bit his tongue very severely in the hockey practice Wednesday afternoon, was obliged to go to the Rhode Island Hospital yesterday. The wound, which is an ugly one and required several stitches, did not heal as well as was hoped.

The Bible classes will not meet tomorrow afternoon.

In the February number of "Education" Dr. Bailey has an article on "Alpine Plants."

Mathewson, coach for the pitchers, will be here on Monday.

### Second League Hockey Game—Yesterday's Practice.

Hockey practice was held yesterday afternoon at Roger Williams Park. A good squad was out and the work was much better than it has been for some time. At first the forwards practiced shooting at the goal, and their shooting was an improvement over Thursday's. Then four forwards tried getting by three defence men to score, and here the play was very good. Finally two teams were chosen and for an hour or more they played hard. Those out were Captain Pevear, Gray, Carpenter, Ostby, H. Otis, C. Otis, Bates, Mason, Judah and Farnum.

Today the team lines up against Harvard at Cambridge in Brown's second game of the league schedule. Harvard has a fast team this year. Columbia was defeated Jan. 18 by the score of 4 to 3. Andover, the team that defeated Brown by the score of 7 to 1, was beaten 6 to 4. The practice of the Harvard team the past week has been excellent. The men are playing a fierce attacking game and have developed in rapid stick work and in accuracy in passing and shooting. The teams will line up as follows:

| BROWN                 | HARVARD   |
|-----------------------|-----------|
| Ostby l w.....l w     | Pruyn     |
| Pevear l c.....l c    | Winsor    |
| Paine r c.....r c     | Foster    |
| H. Otis r w.....r w   | Rumsey    |
| Mackinney c p.....c p | Penhallow |
| Carpenter p.....p     | Carr      |
| Gray g.....g          | Manning   |

### Sophomore Class Meeting.

The Sophomore Class held a meeting at 1.30 P. M. yesterday in Sayles Armory. It was voted to elect an assistant baseball manager this year as well as a manager. L. W. Jutten was elected manager. The matter of forming a class hand polo team was then considered. G. E. Lamphere was appointed to act as manager and call out the candidates for the team. Practice is to begin immediately.

### Brown Note.

Prof. B. L. Rolinson of the Visiting Committee of the Botanical Department of the University took advantage of his presence here Wednesday to carefully examine and collate several families of plants in the herbarium and to enrich them by his notes as an expert. This has very much enhanced their value.

The preliminary trials for the 'Varsity debating teams occur this afternoon. They will be held in 6 U. H., and will begin promptly at 1.30. All men who wish to try must hand in their names before 12 o'clock.

The names already in are scheduled as follows:

Barney, 1.30; Cobb, 1.38; Francis, 1.46; Hull, 1.54; Meader, 2.02; Munroe, 2.10; Rich, 2.18; Spicer, 2.26; Kingman, 2.26.

### Brown Entries in the B. A. A. Games.

The following have entered in the B. A. A. games to be held tonight in Mechanics Hall, Boston:

M. T. Barker, '03, in 40-yard handicap; M. T. Barker, '03, in 40-yard dash; R. Pierce, Jr., '02, in 600-yard run; C. S. Allen, '04, E. B. Beam, R. H. Handy, '05, J. B. Littlefield, '02, in 1000-yard handicap; F. S. Doughty, '05, in one-mile handicap. Relay team—F. W. Greene, '02; Cann, '03; R. Pierce, Jr., '02; Kinsley, '03, and Southworth, '02, substitute.

### Political Economy Club.

The next meeting of the Political Economy Club will be held in 5 University Hall Thursday, Feb. 13, when Hon. L. F. C. Garven will speak on "The Single Tax." References are: "Progress and Poverty," by Henry George; Journal of Am. Social Science Association, No. 27; Henry George and Edward Atkinson in the Century, July, 1890. Election of officers at 7.45.

### College Notes.

The average age of Yale's Freshman class is 19.

Fifty-one men are now working for the Freshman crew at Yale.

Sir Henry Irving, the famous English actor, has been engaged to lecture before the Michigan students.

The Harvard Summer School in Theology will be held in 1902 from July 1 to 18. The subject under discussion will be: "Some Current problems in Theology." Lecturers will be in attendance from the University of Chicago, Oberlin, Northwestern University and Oxford, as well as from the Harvard Faculty of Theology. About ninety students, representing twelve denominations, were in attendance at this school in 1901.

### Additional Information in Regard to the Student Volunteer Convention.

As the date for the fourth Convention of the Student Volunteer Movement, to be held at Toronto, Feb. 26 to March 2, draws near, preparations are being rapidly hastened, both at the Toronto headquarters and at the Volunteer office. So general is the interest in this gathering that the utmost resources available are sorely taxed. Colleges and other institutions of higher learning from the Atlantic to the Pacific are taking steps to appoint large and influential delegations in cases where this has not already been done.

Interest in the city where the Convention meets is most natural. Its architectural beauty, its high reputation as a scholastic center, and its dominating influence in the evangelical life of the Dominion combine to make it an ideal gathering place. To this may be added, in the case of delegates from the States, the charm of the transplanted English life as affected by early French traditions. It is a bit of England, with something of the Sabbath atmosphere of Scotland, mingled with the spirit and enterprise of America. The student life of Toronto is likewise a unique composite of British and American ideas and customs, with which it will be most interesting to become acquainted.

Interest in the coming convention is further justified by the acceptances already received. These include the leading missionary advocates of the United States and Canada, missionaries from all the great fields, many of them with a world-wide reputation, and persons whose fame is in every mouth in connection with the recent uprising in China—the falsely defamed and rightly lauded Dr. Ament, and Prof. Gamewell, defender of the legations, both of Peking, being among them. Young people's society leaders whose names are household words will be present, as will men and women of spiritual power, some of whom are already known to students, Mr. Speer and Dr. and Mrs. Howard Taylor, for example. Editors and educators of influence and wide reputation will constitute an important part of the personnel. Best of all, Mr. Mott, whose five months' tour among the students of Japan, China and India has been a pro-

PROVIDENCE, R. I., FEB. 8, 1902.

The recent victories in basketball, debating and bowling have served, to some extent, to remove the sting of the numerous defeats which Brown has suffered during the present college year. Today our teams have an opportunity to still further lessen the balance against us. Although little is known regarding the Wesleyan relay team, the Brown men have trained well, and there is good reason to hope for victory. The prospect for the hockey team is not so bright, for their practice has been somewhat irregular and Harvard has a strong team. The only home event is the basketball game, which will undoubtedly be very close. After the brilliant work of the Brown team in the Harvard game it is safe to assume that Trinity will not have the walkover of last year.

longed experience of remarkable successes, will preside. His words will alike inspire and empower all who hear him.

Difficulties to be feared in case of a late appointment of representatives are suggested by the fact that at a number of remote colleges delegations twice as large as were sent to the convention at Cleveland in 1898 have been appointed, and also by the plans of large institutions like Cornell University and Yale, where the remarkable record of 1898 is likely to be exceeded. Since the delegates are to be entertained by the hospitality of the people of Toronto, it has been necessary to limit the total attendance to 2500, of whom 2000 will be students. From present indications it is apparent that this number of men and women from fully 500 institutions will easily be reached—undoubtedly the greatest student religious gathering the world has ever seen.

Basketball Notice.

Reserved Seats for the basketball games this evening may be purchased at the office of the Gymnasium for 35 cents. f8

Notice.

The preliminaries in fencing, light, middle and heavyweight wrestling and hand polo will be held in the Gymnasium at 2.30 o'clock on Wednesday, Feb. 12, 1902. Class hand polo teams should be organized at once. Fred E. Parker.

Notice.

Will that member of the Freshman Class who borrowed a copy of Phillips and Fisher's (pictorial) geometry from the desk in Wilson 27 last term kindly return the same as soon as possible to the Steward's office or to H. N. Davis.

*What in the world to give a friend?*

Yale men know and the *New Haven Union* says: "The question of *what in the world to give a friend* is solved by **SONGS OF ALL THE COLLEGES** which is alike suitable for the collegian of the past, for the student of the present, and for the boy (or girl) with hopes; also for the music-loving sister and a fellow's best girl." "All the NEW songs, all the OLD songs, and the songs popular at all the colleges; a welcome gift in any home any where." \$1.50—BOOK STORES, MUSIC DEALERS.—\$1.50 **HINDS & NOBLE, Publishers,** 4-5-6-12-13-14 Cooper Institute, NEW YORK Schoolbooks of all publishers at one store
