

The only time Christ resorted to violence and physical force while here on earth was when He made a whip and drove the money changers out of the temple and overthrew their tables. It seems it will require violence to drive the money changers and their system out from the kingdom. See Revelation 18:21. Because the Babylonian money system is sorcery is how it can hold all nations in its deception.

Scripture states the enemies of Christ used money in the betrayal of Christ. They used money to have the Roman soldiers deny His resurrection. They used money to buy acceptance and influence with Philip the first evangelist and were so successful that Philip baptized Simon the sorcerer. Simon tried to do the same with Peter but Peter, having the spirit of discernment, exposed and rebuked him. Do you suppose that the enemies of Christ would use money today to buy acceptance and have influence with preachers and churches?

Lucifer and the enemies of Christ can tolerate the preaching of personal salvation and good behavior because these same preachers and churches will cooperate with Lucifer and take all the Christians out of the way. By rapturing all Christians to heaven makes it much easier for Lucifer to establish one world rule under some great antichrist who will never come.

This is the great and dreadful day of the Lord. "Be still, and know that I am God: I will be exalted among the heathen, I will be exalted in the earth. The Lord of hosts is with us; the God of Jacob is our refuge. Selah." (Psalm 46:10,11) Think on this. Read Psalm 46 and note that this is not merely a refuge for us as individual Christians, it is a refuge for God's earthly kingdom people at the present time.
