PRICE THREE CENTS

MEET WITH TECHNOLOGY

Brown Squad Rapidly Rounding into Shape.—Tech Mon Make Good Time.

The M. I. T. track meet takes place a week from Saturday, on The Brown squad is April 29. doing good work at their regular practice under the coaching of "Charlie" Huggins, and the chances of winning many of the events are strong. Coach Huggins is devoting his entire time this Spring to track, and in spite of the lateness of the season the mer are showing rapid improvement.

Twenty new suits have been ordered from Wright & Ditson's, and these will be here in time for the track meet.

The Brown entries have been made out provisionally, and will be published next week. The "Tech" entries have not been received yet.

At an interclass meet held at Technology last Saturday, good time was made in the quarter and half-mile runs. The fast time of 4:33 I-3 was made in the mile by Watkins '12, who will probably have a close race for first honors with Taber. The 120-yard high hurdles was also made in good time by Cummings '11, who won second honors for the entire meet. pole vault was won by Salisbury the individual star of the afternoon. The height was 10 ft. 9 in.

If Bartlett continues in his present good form he should easily come off first in the weight events.

Six men from each college may be entered in each event. Four can compete. Probably about 25 Technology men will be entered, while 20 or twenty-five men from the Brown squad will participate.

The last meet with M. I. T. was held in 1908, when Tech won out by a score of $71\frac{1}{2}$ to $54\frac{1}{2}$.

A. A. Bennett '10, Receives Princeton Fellowship.

Mr. Albert Arnold Bennett, Assistant in the Department of Mathematics, will study Princeton next year. He has received one of the G. S. K. Fellowships in Mathematics for next year. His entire time will be devoted to research work. Mr. Bennett expects to study under Professors Birkhoff and Veblen, two of the most eminent mathematicians in this country. He will be at Princeton at least one year, and the probabilities are that he will remain there longer.

APPEAL TO REASON.

Brown Banquet Committee Recommends Restraint from Excessive Use of Brown Spirit.

A communication just received from the Brown Committee, calls attention to the unnecessary character of the super-abundant expression of overflowing Brown spirit at the Annual Banquet. The Committee expresses the hope that the breaking of tableware and hurling of heavy missils will be done away with this year.

The communication follows: To the Editor of the Herald:—

For several years the Brown Banquet Committee has been caused considerable trouble and unnecessary expense by breakage and damage to articles during the banquet in Sayles Hall. It is hoped that the banquet to-morrow night may be conducted without this undesirable feature. Furthermore, the University authorities strongly object to the throwing of biscuits and other hard articles on account of the danger to portraits, and if one of these should suffer irreparable damage, the result might be the forbidding of the use of Sayles for future banquets. The lifting of tables may be all right, but to drop them or to toss the tableware around is likely to be disastrous, and all undergraduates are earnestly requested to keep their Brown spirit from running amuck, and to co-operate with the committee in preventing a good time from being converted into too much of a "rough-house."

Sophomores Lose to Dean Academy in Ragged Game.

The Sophomore baseball team was defeated by the Dean Academy team Wednesday afternoon by a score of 8-1. The home team won by their ability to bunch hits and by the glaring errors of the 1913 team. Four runs were made by Dean in the first inning, the other four coming in the fifth. There were nine bases stolen by the Dean men. The features of the game were Hahn's long throw to the plate and the batting of McLaughlin for Dean, who drew three hits out of three times at bat.

The summary of yesterday's game is as follows:

FOOTBALL PRACTICE.

Squad Tries New Formations in 250 Sub-Freshman Tickets Sold. Gymnasium.—W. H. Sweet and High '11, Assist.

On account of the wetness of Andrews Field the 'Varsity football practice was held on the gym floor yesterday. Bean and Metcalf played the half-backs and "Don" Pryor and Pride, a Freshman, played fullback in turn. Hazard played center and Murphy and Goldberg guards. Several new shifts and formations were tried out and the whole practice went off snappily and smoothly.

Mr. W. H. Sweet and "Jake" High assisted Coach Pryor during the afternoon.

The following men reported Capt. Sprackling, Goldberg '13, Murphy '13, Hazard '14, Gelb '13, Kratz '13, Ashbaugh '13, Adams '12, Bean '14, Pride '14, Metcalf '13.

Meeting of Prospective Competitors in the Herald Office Tonight.

To-night at 6:45, a meeting will be held in the Herald office in the basement of the Union, for all Sophomores who wish to enter a competition for membership on the Herald Board. The competition will begin with next Monday's edition of the paper and will continue through the Spring term and the Fall term next year. The work will consist in the writing up of news items, the carrying of copy, the reading of proof, and whatever work may come up in the office.

At 7:15 to-night a meeting of the Sophomore members of the board will be held in the Herald office preparatory to starting a competition for the news editors' positions.

Wesleyan is making a determined effort to wipe out the deficit of the Athletic Association. alumni have contributed several hundred dollars, and now the undergraduates plan to raise at least \$1000 more before the end of the A vaudeville show which the students gave in Middletown netted between \$350 and \$400.

The largest number of Freshmen in the history of Purdue turned out for baseball this Spring. When the season opened 131 men responded to the call for candidates.

More than 50 men reported at Yale for the mass meeting of candidates for next Fall's football eleven.

SALE OF TICKETS.

-Undergraduate Sale Not So Rapid.

The Sub-Freshman Banquet tickets are going rapidly. Yesterday two more of the fraternities bought their tickets, bringing the total of Sub-Freshman tickets sold to date up to 250. Only two fraternities now remain which have not taken the tickets they contracted for.

The undergraduate tickets are not going so fast, only 53 having been sold. A large number of sales are expected to-day and tomorrow morning, however. Undergraduates can obtain their tickets from any of the committee, R. F. Skillings '11, Wm. V. Winslow '11, G. S. Burgess '12, N. B. Hull '13, and C. L. Bagnell '14.

Manager H. O. Barker of the baseball team has announced that the Sub-Freshman banquet tickets will be stamped for free admission to the Princeton game from 12:20 to 2 o'clock on Saturday at the Union. The Sub-Freshman tickets only will be stamped for admission and the men must call in person at the Union.

Triple Tie Being Played Off in Chess Tournament.

Two games have been played in the series which is to decide the chess championship between Corp, Emmons, and Durfee, who were tied for first place. The game between Corp and Emmons resulted in a draw and Corp yesterday defeated Durfee. The plan is for each man to play three games with each of the other two. Stanton and Guild are tied for fourth place and will play their games as soon as possible. The standing of the men at the close of the regular tournament left Corp, Durfee and Emmons each with eight games won and one lost, and Guild and Stanton with six won and three lost.

Brown Man Resigns Y. M. C. A. Position.

Mr. William Lamkie, who was graduated from Brown in the class of 1905, is about to resign on account of illness, his position as International Educational Secretary of the Army and Navy, Y. M. C. A.'s. Mr. Lamkie entered the work in September, 1907, and since then he has originated a most flexible scheme to meet the educational needs of the

Phi Beta Kappa.

Shortly we shall be apprised of the elections to membership in the Phi Beta Kappa Society, and shall again be confronted with the annual query, what is the Phi Beta Kappa Society? Not that the significance of the coveted key is unknown, but that the society at Brown has so little function and so little of healthy influence that we are justified in asking its nature. Brown is not alone in the inactivity of this honorary society, complaints are heard at every hand, but there are institutions where the Phi | Room. Beta Kappa Society is an active organization, serving its members the same salutary purpose as the Sphinx Club, and at the same time creating an influence that makes for greater prestige of the purely intellectual in the college life.

The Brown Banquet.

To-morrow evening occurs one of the big events of the college year—the Brown Banquet—and every Brown undergraduate should exert every effort to attend! No excuse for absence will be valid! The development of your own individual crop of Brown Spirit depends on it, and the extending of the heartiest good time possible to the visiting preparatory school men depends on it also. And in addition to all that, this year's committee have in store a program that you will not want to miss. by the by, it will not be amiss to call attention to the communication in another column which contains a hint which, if heeded, besides not decreasing the enjoyment of the occasion, will tend to leave quite as wholesome a remembrance in the minds of our visitors.
