## TEAM AT NEW HAVEN.

**'Varsity Will Meet Yale This Afternoon in What Should be Great Contest.**

The 'Varsity will line up against the Yale nine this afternoon at New Haven in the third big out-of-town game within eight days. The result of the contest cannot be easily predicted, since with the exception of the team from the University of Virginia, the two nines have not played the same teams. The Virginia scores were 6-0 in favor of Yale and 3-0 for Brown, and this, as well as the general work of the teams, points to a close game.

The Yale team has had only a fair season thus far, and, like Brown, has lost its last two games, these being with Williams and Pennsylvania. Both games were lost on account of bad errors in the infield, and on account of weak hitting by the team as a whole. In the game Saturday Clark, the Penn. twirler, allowed the Yale batters but two hits. In the box, Freeman has been doing some pretty work in recent games, and Hartwell has also been in good form. Among the teams which Yale has defeated are Columbia, Holy Cross, Fordham, and the first game with Penn.

Conzelman is slated to start the game for Brown in the box. He has been practicing strenuously this week, is in good form, and should make up for his off day Saturday. If Conzelman is hit, Warner may take his place in the latter part of the game.

Harris is to catch this game, and Durgin will continue on first until Capt. Giles is able to return to the field. Crowther, R. Nash, and Taylor will play in the outfield. Staff will probably not be put in the game.

The team will leave for New Haven this morning, on the 9:04 train.

The line-ups of the two teams will be as follows:

Brown.	Yale.
K. Nash, s. s. . . . . c. f.,	Badger
Crowther, l. f. . . . . r. f.,	Tommers

## TALKS TO FRESHMEN.

**President Faunce Addresses First-Year Men After Chapel on Various Matters.**

President Faunce delivered a brief address to the Freshman class after chapel service yesterday morning. He said in opening that he wished to remind the men of some things that they knew already, but seemed to have forgotten.

"Everyone of you knows enough to be always courteous and gentlemanly on the campus, as well as off of it," he said. "And yet a number of you seem to feel that courtesy should be left to special occasions, when you are in the company of ladies, and that you may slouch about as you please on the campus. Of course, this is not true,—if a man is a true gentleman he will be one always and in everything. Moreover, each man has the reputation of his college ever in his keeping."

President Faunce then spoke of some disorder in chapel, saying that he had had practically no response to his former requests in this respect, and again asking that all whispering and other disorder should cease.

In closing, President Faunce said that every Freshman should look back over this past year and decide if it has been successful. "And successful in this case depends upon three things," he went on. "First, have you learned to take care of your body, your health? For without health, you cannot hope to have success. Secondly, have you learned how to study, have you arranged a programme for work and play? This is the first thing that college should teach, and if you have not learned how yet, by all means do it at once. The third thing is also very important. What kind of friends have you made? Are they the sort that will be an asset to you throughout your whole course, and even after graduation? Think well on these questions," concluded Dr. Faunce, "for you should have solved them by this time, and their solution will affect your whole life."

## Interfraternity Games.

Delta Upsilon defeated Beta Theta Pi 9-5 in an interesting game yesterday morning. Alpha Tau Omega will play off their postponed game with Phi Kappa Friday afternoon at four o'clock.

## JUNIOR WEEK.

**1912 Promises Best Program Ever for Annual Festivities, Which Begin To-morrow.**

With the County Fair, which is scheduled to open its gates at 2:30 p. m. to-morrow on Lincoln Field, the events of Junior Week will have their beginning, and from that time until the Informal Dance on Saturday night marks the close of the occasion, the hours will be filled with the festivities which the committee has in store. The various chairmen have completed their arrangements, and when the time arrives the undergraduates will be treated to one of the best programs that have been conceived at Brown.

The County Fair will be replete with wonderful exhibits and rare specimens. Among the leading features will be a prize fight between Peary and Cook, in which their contentions may be finally settled. Such historical figures as Julius Caesar, and Juliet, and Jonah, and the original whale, will be in prominence. The crowning spirits of the day are King Booloo, President Taft, and the only extant specimen of the fourth dimension.

At five o'clock in the evening teas will be given at several of the fraternity houses. At 8:15 the Sock and Buskin cast will render its last presentation of "The Rivals" in the Providence Opera House. The cast has had an unusually successful season, having already presented the play six times, and those who are present on Thursday night will have an exceptional treat.

Friday, May 19.

At 9 a. m. President Faunce will deliver an address at the special Chapel service in Sayles Hall. At 2:30 the Pi Kappa farce, "The Little Mother," is staged in the Auditorium of the Union. In the evening at 10:00 the fourteenth annual Junior Ball will be held in Sayles.

Saturday, May 20.

Brown crosses bats with Columbia on Andrews Field in the afternoon at 3 o'clock. This is the first time that Columbia has appeared on the home field for several years. At 8:00 p. m., the annual concert of the combined Glee, Mandolin, and Orchestral Clubs will complete the formal program of the week. The Informal Dance will begin at 10:00 in the Brown Union.

## INTERCLASS DEBATE.

**Letts Wins First Prize in Hicks Contest.—Dexter and Donovan Second.—Juniors Won.**

The annual contest for the Hicks Prizes for excellence in debate was held last evening at 8 o'clock in Manning Hall. The judges unanimously awarded the first prize of \$30 to Ira Lloyd Letts '13, of Moravia, N. Y., and the two second prizes to Daniel Gerald Donovan '12, of Providence, and Robert Cloutman Dexter '12, of Dorchester, Mass.

The prizes were awarded on the merits of the individual speeches, disregarding the subject under discussion, and special attention being paid to the delivery and style. The Juniors won by a 2 to 1 vote. They upheld the affirmative side of the question, "That the Oregon Initiative and Referendum Law Should be Enacted in Rhode Island."

They debated in the following order: For the affirmative—Donovan, Burgess, and Dexter; for the negative, Starkweather, Lemon, and Letts. Each speaker was allowed 10 minutes.

While the judges were out, a quartet, consisting of Gardner '11, Leith '12, Newell '12, and Holding '14, rendered a number of selections, and their new song was enthusiastically received. After the music, the committee of judges, composed of the Rev. Benjamin T. Livingston, Prof. James M. Motley, and Prof. William Kirk, announced its decision through its chairman.

Letts '13, who won first prize, although only a Sophomore, has already taken an active part in debating, and was on his class debating team, and he has also been a member of the 'Varsity debating team for two years. Donovan '12, the winner of one of the second prizes, is also well known in debating circles, having debated on his class team and being on the 'Varsity debating team this year. Dexter '12, the winner of one of the second prizes, took part in the Hicks Prize Debate last year, and he has debated on class teams, as well as being an alternate on the 'Varsity team this year. Hon. Charles Sisson was the presiding officer at the debate.

Although the weather man predicts rain for to-day, the remaining days of the week promise to be fair.

*Libers!*

The Libers are here! They were here some time ago, but they are still resting serenely in the possession of the business manager with their wrappings undisturbed. The body of over-anxious undergraduates, which for years has impatiently anticipated an early arrival of the book, quietly submits to this quite unnecessary delay, and it begins to look as if we should not profit so much after all from the unusual activity of the 1911 Board. And all because, in the light of past experience, it has been found necessary to withhold all books until all bills have been paid in full. Junior Week is upon us. We had heard it suggested that the books would be distributed at this time as an additional feature in the week's program, but the editors inform us that there are as yet some twenty organizations who have not contributed their dues. Disagreeable as the practice of posting delinquents is, it should be resorted to at once if other means are insufficient to hasten these payments.

**John Carter Brown Library.**

At the annual meeting of the committee in charge of the John Carter Brown Library, held in the Library recently, the report of the librarian, Mr. G. P. Winship, showed that during the past year 1170 additions have been made to the library. Of these 13 were printed before the year 1500. Eight were printed in America before the year 1600, one of them being the first book printed in South America.

The present exhibit is one of rare Mexicana, in which the library is especially rich, having as large and valuable a collection as is to be found in the world. Many historical and religious works are on view, including several different editions of De Solis's "Conquest of Mexico." Interesting works on astronomical subjects are displayed as well as several dealing with earthquakes. A valuable illustrated Roman missal, printed in 1561, is also on exhibition.

**Medals Ready for Class Meet Victors.**

The medals awarded at the interclass meet held last Friday are now ready for distribution, and the winners can secure same by calling for them at the gymnasium office.

**Big Cap Celebration Promised.**

The committee appointed to arrange the Freshman cap celebration are beginning their labors at once. They are all canvassing the class for money with which to finance the affair, which, it is said, will contain several novelties this year. There will be the huge paper mache cap surmounting the bonfire, as usual, and large quantities of fireworks are to be purchased, while a band will render selections on all suitable occasions.

**Giles' Recovery Slow.**

Captain Giles' injured leg is recovering much more slowly than was at first thought probable. There is at present a very troublesome blood clot underneath the knee, which prevents his straightening his leg without great pain. This clot is disintegrating very slowly, in spite of all the efforts which are being made to hasten its progress, and will probably keep him out of the game for several weeks. In all other respects, his leg is practically as good as ever.

**CLASS BASEBALL.**

Sophomores Battle with St. George's, While Freshmen Play Tech. at Andrews Field.

This afternoon the Sophomore baseball team will cross bats with the St. George's School team. The game will be played at Newport, and a close contest is expected.

St. George has had a fairly successful season so far, winning five out of the eight games played. Victories were gained from the U. S. Naval Station three times, Cloyne House School of Newport, and from Milton Academy. St. George lost to Hope 7-6, 11 innings, to Cloyne School, and to Harvard Freshmen.

The Sophomore team has not played since May 3, when they won from Durfee Textile 2-1 (10 innings), but the men are in good condition and should win. The 1913 men will line up as follows: Henry, c.; Redington, p.; Ashbaugh, 1b.; Sullivan, 2b.; Howe, s. s.; Chase, 3b.; Hahn, 1. f.; Tucker, c. f.; Capt. McLyman, r. f.

The strong Freshman baseball team, with Captain Tewhill holding down his position again, will play Technical High School at Andrews Field this afternoon. The first-year men go into the game with a string of decisive victories behind them, and they do not expect to have any difficulty in disposing of the high school team. Dike, the hard-hitting pitcher, will play in the field, and Whitmarsh or W. N. Fisher will start the game on the mound for the Freshmen. Technical has not had a very successful season so far, and has broken about even in its games in the

high school league. Unless its pitcher has something new on the ball, the Freshmen expect to pound out another victory.

A large number of the first-year men are expected to attend the game, and possibly some organized cheering will be attempted in preparation for the inter-class game. The Freshmen will probably line up as follows: Reynolds, c. f.; Whitmarsh, s. s.; Brady, 2b.; Tewhill, 3b.; Dike, 1. f.; Goodspeed, c.; Shepard, r. f.; McKenzie, 1b.; Fisher, p.

**Examinations for Philippine Teaching Service.**

The United States Civil Service Commission has announced an examination to be held on August 30-31, 1911, for the positions of teacher, Industrial teacher and Departmental Assistant in the Philippines. As a result of these examinations a list of eligibles will be chosen from which appointments may be made as vacancies occur in the Philippine teaching service.

Appointments from this list will probably be made for service beginning with the school year of 1912, but there may be need for more teachers during the coming school year, and these appointments will be made from among those who are ready to sail before the beginning of the

Yesterday afternoon the 'Varsity football squad had a long work-out and got in a full two hours of hard practice. Bean, Jones, and Metcalf constituted the back field, and as soon as they get to working together properly they should prove a formidable combination, with Sprackling to guide them. The tackles were Kratz and Hazard, and the former especially showed great promise of ability next season. All the formations were gone through with rapidity and finish of execution, with one or two exceptions, which, it is expected, will be smoothed out in the final practice next Tuesday. As this will be the last practice, all are urged to come out for it.

The following men reported:

Capt. W. E. Sprackling, R. G. Ashbaugh '13, F. R. Hazard '14, J. S. Goldberg '13, D. H. Kulp '13, E. A. C. Murphy '13, O. M. Kratz '13, D. Langdon '13, H. M. Jones '12, G. T. Metcalf '13, S. S. Bean '14, and R. L. Smith '14.
