

National Observance of Children's Sabbaths
October 17, 18, and 19, 1997
Seeking *Shalom*: Healthy Nation, Healthy Children

The **Children's Defense Fund** invites you to join with thousands of other communities of faith for its sixth annual National Observance of Children's Sabbaths. CDF has prepared resource books that contain model worship services, music, advocacy ideas, clip art, promotional materials, and lesson plans for all age groups. The suggested activities focusing on children's health needs will engage your congregation throughout the year.
