

And they made their father drink wine that night also: and the younger arose, and lay with him; and he perceived not when she lay down, nor when she arose. Thus were both the daughters of Lot with child by their father." — **Genesis 19:30-36.**

KOSHER MY LAI

Moses told his soldiers: "Now therefore kill every male among the little ones, and kill every woman that hath known man by laying with him. But all the women children, that have not known a man by lying with him, keep alive for yourselves." — **Numbers 31:17-18.**

FREEDOM FROM WITCHCRAFT

"Thou shalt not suffer a witch to live." — **Exodus 22:18.** [Thanks to the vigilance of good Christians in obeying this divine command, most experts agree that the numbers of victims slaughtered in Europe by authority of this commandment must be measured by the hundreds of thousands!]

In this "sacred" book of family scandals we find filth, sex orgies, cannibalism, atrocities, sex perversions, incest, and bloody violence unparalleled in any other chronicle in all the literature of the world. Fortunately, not one-third of the human family has ever heard of the Christian Bible; not one-tenth of the Christians have ever read it, and no two who have read it agree as to its meaning. Won't you help get this book out of the hands of our children, out of decent homes, and out of hotel and motel rooms?

Frank C. Hugues

THE HUMAN RACE HAS SUFFERED FOR CENTURIES AND IS STILL SUFFERING FROM THE MENTAL DISORDER KNOWN AS RELIGION, AND ATHEISM IS THE ONLY PHYSICIAN THAT WILL BE ABLE TO EFFECT A PERMANENT CURE.

Joseph Lewis

We are told that the Bible is the most beautiful book in the world, containing the noblest ideas ever expressed by man. You are challenged to go to the works of the great Atheists, Agnostics, and Free-thinkers, and measure the nobility of their ideas against those of the Bible.

You might start with Lucretius, the great Materialist philosopher of Rome in the 1st century B.C.;

Or with Frederick Nietzsche, the supreme Atheist philosopher of Germany in the 19th century;

Or with Robert G. Ingersoll, the great Atheist orator of 19th century America;

Or with Bertrand Russell, the Noble laureate philosopher of England in this century;

Once you read any of these magnificent authors in comparison with the Bible, you will realize that the nobility and beauty of Atheist ideas far surpass any contained in the Bible. It will become easy to understand how the Bible has been used successfully to justify so much persecution, bloodshed, atrocity, and misery. It will become obvious that a society based on Atheist ideas would be a more humane and just society.

YOU can take an important — a vital and essential! — part in purging society of the sickness and ugliness of religion by joining the only organization that is nurturing and developing Atheist ideas and ethics — the **AMERICAN ATHEISTS!**

This organization is the only organization fighting for Atheists against the malicious tyranny of the religious establishment, which is dedicated to making sure that Atheists shall not have the right to openly and proudly offer their ideas as a sane alternative to religion. If you are an Atheist, it is your duty, as well as your only hope, to join the fight by joining the **AMERICAN ATHEISTS!**
