Dear Madam,

Subject: Rural Civil Society Organizations Attachment for IAS Officer Trainees of 2011 Batch during Winter Study Tour- regarding -

The IAS Phase-I Professional Course of the 2011 batch commences on 13th December, 2011. As you are aware the Winter Study Tour (Bharat Darshan) is an important component of the Phase-I Training Programme. During these 8 weeks the officer trainees are attached with different organisations both Private and Public Sector in small groups, and are also exposed to good governance initiatives in various states.

The Academy has always attached considerable importance to the young administrators receiving a systematic exposure to the work being done by Civil Society Organizations particularly in rural areas. Accordingly, during the Winter Study Tour, a two day attachment with your organization is proposed.

We understand that your organization has considerable experience of working with communities in rural areas and would offer a wonderful learning opportunity for the young officers. We are keen to send a **group of IAS Officer Trainees of the 2011 batch for a two days' attachment as per the programme given below.** During the attachment, the Officer Trainees may be briefed about the structure and working of NGOs, interaction with the external environment (of which government agencies operating at the field level are a part).
