

CHRIST OR CHAOS?

Have you made this mistake believing politics is the answer to our nation's problems? For too many Christians, politics *is* the answer. For the first time, a comprehensive study of the Lordship of Jesus Christ, His government over **all** of life, is available. The three volume *God and Government* series is a comprehensive study of the **Biblical** solution to our nation's problems. The information in this series will shock and surprise you. But most of all, you will be encouraged as you learn that there is hope in the midst of despair.

Nearly 100,000 people have benefited from the first two volumes in the *God and Government* series written by author/lecturer Gary DeMar. Now the third and final volume is completed. *God and Government: The Restoration of the Republic* tells how to rebuild the weakened foundations of our increasingly anti-Christian world.

"Never has there been a greater need for Americans to understand the Biblical and Christian foundations of our nation. This is why the three volume God and Government series is so crucial at this time."

—Dr. D. James Kennedy
Senior Pastor, Coral
Ridge Presbyterian Church
