

THE NAMELESS WAR

"Jew-wise." It is indeed the only fair and honest term.

The phrase "anti-Semite" is merely a propaganda word used to stampede the unthinking public into dismissing the whole subject from their minds without examination: so long as that is tolerated these evils will not only continue, but grow worse.

The "Jew-wise" know that we have in Britain a Jewish "Imperium in Imperio," which, in spite of all protestations and camouflage, is Jewish first and foremost, and in complete unison with the remainder of World Jewry. If any doubt this they need only read *Unity in Dispersion*, issued in 1948 by the World Jewish Congress, which proclaims Jewry to be one nation.

Not all Jews here wish to be railroaded into this narrow social tyranny; but unless this country affords them some way of escape they dare not take the risks—very grave risks—of defying it: and so they perforce co-operate to some degree.

Even worse, certain Gentiles with no good excuse support this united force, which is in turn used to influence or control our political parties, home and foreign policies, press and public life.

This unholy united front must be exposed and frustrated. One step towards this objective would seem to be firstly an enactment to prevent Gentile Esaus from lending their hands for the carrying out of orders uttered by the voice of Jewish Jacobs.

Another, the detachment from the Jewish United Front of Jews, who do not wish to subscribe to the dictates of the World Jewish Congress.

First and foremost however is the need to inform people of good will as to the truth of this matter, particularly in regard to the real anatomy, aims, and methods of the Marxist enemy.

It is to that end, that I humbly offer the contents of this book to all, who are determined fight Communism.
