HELP STEER A GIRL AWAY FROM A DEAD END AND ON TO A DREAM.

Because of loyal supporters like you, the YWCA can help thousands of teens overcome alienation and loneliness and gain self-respect, self-esteem and hope for their future.

We're proud of our success in working with teen mothers and teen couples. With your help we give them what most young people need: support, guidance, and encouragement and information.

YWCA programs provide the ingredients for dream making. They offer teen girls the hope and tools they need to define their own dreams.
