

Your Letter May Decide

- Whether retired workers, now or later, must seek public relief or become burdens to their children when severe illness strikes.
- Whether those who have earned the right to independent retirement will lose that right because of illness.
- Whether you, in your turn, can look forward to retirement without fear of illness.

The Forand bill (HR 4700) has been analyzed, examined and discussed over a period of several years.

Will Congress vote it into law?

The answer to that question is in your hands.

Your letters, to your Congressman and your two Senators, will decide the issue.

If YOU tell them that YOU want the Forand bill, it will pass.
