

The following facing-page of an Anglo-Israel classic. I only have one copy...Perhaps you can find it in old book stores. It was first printed in 1879. My purpose is to show you our message is not new....

Lost Ten Tribes

By

REV. JOSEPH WILD, D.D.

*Late Pastor of Congregational Churches at Brooklyn, N. Y.
and Toronto*

The 1919 PUBLISHERS NOTE: "The need of the hour is the revealing of spiritual Israel which Dr. Wild saw more than 40 years ago would come through literal Israel. (ie: the Anglo-Saxon, Celtic, Scandinavian, Finnish, Holland Dutch & Kindred Germanic European peoples, etc.)

How soon the author's prophetic words will be fulfilled depends upon how soon literal Israel wakes to the recognition of that which alone can satisfy...Israel must be reconciled to her God. That reconciliation can come only through the understand of His will. Where is "the will to do His will?"
