I D E A ! Do you have non-libertarian friends or relatives in a city where Fritz is giving an Intro?

Then photocopy the yellow flyer and mail it to them. And if you have libertarian friends, encourage them by phone or mail to attend an Advocates event.

Thank you Lynn Tinsley, Chicago, and Dick Rider, San Diego, for pushing this idea.

ADVOCATES FOR SELF-GOVERNMENT

5533 E Swift, Fresno CA 93727

Democracy seeks equality in liberty, socialism seeks equality in restraint and servitude. ALEXIS DE TOCQUEVILLE

We rest all our political experiments on the capacity of mankind for self-government. JAMES MADISON

Sometimes it is said that man cannot be trusted with the government of himself. Can he, then, be trusted with the government of others? Or have we found angels in the forms of kings to govern him? Let history answer this question. THOMAS JEFFERSON

The right of self-government does not comprehend the government of others. THOMAS JEFFERSON

JOSIA QUINCY: How do you govern your people [Mormons]?
JOSEPH SMITH: I teach them correct principles and they govern themselves.
