

a sex-cult, in which the generative powers are adored and worshipped under disguised phallic rites and symbols...phallicism is the essence of the religion of Freemasonry."(*op. cit.*, Wagner, pg. 71)
 Under Phallic Worship in a Masonic encyclopedia we read, "The Phallus was a sculptured representation of the ... male organ of generationAs a symbol of the generative principle of nature, the worship of the Phallus appears to have been very nearly universal.... The Jews ... fell readily into that of this symbol for we are told that even in the time of the Judges (see Judges iii, 7), they 'served Baalim and the groves.' " *6 This Masonic encyclopedia goes on to confess concerning the representation of the male sex organ (*phallic worship*), "... afterward modified in its signification and incorporated as part of the symbolism of Freemasonry (see *Point within a Circle*)." There you have it, beloved, an open confession attributing Freemasonry to those who worshipped the symbol of the male sex organ. "We hold it as demonstrably true that Freemasonry is a sex cult that has survived to this day;... that it venerates, adores and worships the generative principle as its god, under the name The Great Architect of the Universe ..." (*op. cit.*, Wagner, pp. 73,74)

WHAT IS FREEMASONRY'S VIEW ON THE BIBLE AND CHRIST?

"It denies and repudiates the historic and biblical Christ.... It charges the church with falsely interpreting the Bible and perverting the true teachings of Jesus.... The following extracts from Masonic authorities betray this spirit of arrogant supremacy on the part of Freemasonry. 'The sacred books of all religion, including those of the Jews and Christian, were and are no more than parables and allegories of the real secret doctrine ...' 'Salvation by faith and the vicarious atonement were not taught, as now interpreted, by Jesus, nor are these doctrines taught in the exoteric scriptures. They are later and ignorant perversions of the original doctrines. In the early church, as in the secret doctrine, there was not one Christ for the whole world, but a potential Christ in every man.' 'It also has been shown that every act in the drama of the life of Jesus, and every quality assigned to Christ, is to be found in the life of Krishna and in the legends of all the sun gods from the remotest antiquities' (Mystic Masonry, pp. 119,130,138,139,140)". (*Ibid*, pp.28,29) "Buck says, 'God never manifested himself to be seen of men.' (Mystic Masonry, p. 134)" (*Ibid*. pg. 12) "The real spirit of Freemasonry in its attitude toward Jesus Christ as confessed by the Church is expressed very clearly in a speech of Senator Delpech, of France. 'The triumph of the Galilean has lasted twenty centuries But now he dies in his turn. The mysterious voice ... announces the death of the imposter God who, promised an era of justice and peace to those who believe in Him. The mendacious God is now disappearing in his turn; He passes away to join in the dust of the ages the other divinities Brother Masons, we rejoice to state that we are not without our share in this overthrow of the false prophet.' (Quoted in Cath. Ency.)" (*Ibid*.pg. 30)

WHAT ATTITUDES HAVE BEEN EXPRESSED TOWARD THE CHURCH?

"And Freemasonry seems to become more bold and venture more and more into the open. Dr. Buck in his recent work, 'The Genius of Freemasonry and the Twentieth Century Crusade', claims that the republic was founded by Masonry, that it framed the Constitution He charges cowardice or treason on all Masons who refuse to use their controlling influence in the churches,... in wiping out summarily, the religious world power, clericalism.... As continental Freemasonry aims at the overthrow of clericalism,... so American Freemasonry also evidently aims at the same end, with the ulterior purpose of enthroning itself in the seats of government, and force itself upon the public as the state religion." (*Ibid*.pp. 26,27).

HAS FREEMASONRY ALREADY ENTHRONED ITSELF IN OUR U.S. GOVERNMENT?

We will allow you to decide as you read the following; "It is recognized by the state as a religion, and virtually is the state religion. It is a fundamental principle in our government that church and state ... be kept entirely separate But it is a question whether this has been and is the case in the practical workings of the government.... The state has gradually and perhaps unconsciously but no less really acquired a religion which it recognizes This religion is not Christianity, but Masonry. In support of our assertion we submit the following for the reader's consideration. When public buildings such as court houses, state houses, United States government buildings,... public library buildings and
