Song: "Road to El Salvador"

Collection for **Fondo Martin-Baro**
Introduced by Brinton Lykes

Song: "Digo Sí, Mi Dios"

All: Prayer of Commitment:

Beloved God, we believe that you show us the way, the truth and the life. We believe that you have revealed your truth down through history in the witness of those who believe in you and gather in your name. We believe that your truth has been revealed in a special way by the witness of these martyrs whose names we have recalled this day. They have testified to your love, your life, and to your truth in the world. We commit ourselves today to walk faithfully in the light of truth, and to be children of light. Give us the courage and strength we need to live this commitment, as we count upon your tender and faithful love. AMEN.
