

FNVW Craft Sale Saturday, December 2

10:00 to 4:00

Minneapolis Friends Meeting house

44th Street & York Avenue

Are you ready?

For holiday shopping that benefits peace and justice?

Select unique gifts from an array of pottery, needlework, tree ornaments, cards and stationery, books (including Rise Up Singing, the world's most wonderful songbook), T-shirts, toys, calendars, woodwork, home-made edibles, a variety of services such as gourmet cooking or an evening in a hot tub and donations from local restaurants, theaters and concert halls.

To give your body a treat with homemade food and a massage?

Meet some Friends for lunch, bring some friends along who haven't been to the craft sale before. Indulge yourself with a massage; you'll enjoy it even more if you imagine how tired you would be if you'd gone shopping at a mall instead.

For a chance to visit with old friends and meet some new ones?

Every year people renew friendships with people they have met at People Camp and other gatherings throughout the year.

The craft sale is the major fundraiser for FNVW, and it's also a major fun-raiser.

If you would like to participate by helping during the sale or donating crafts and services to sell, please call the FNVW office at 870-1501 or Betty Firth at 827-4285.

If you prefer, you may fill this out and leave it at Minneapolis Friends Meeting House or send it to Betty Firth, 3440 Portland Ave. So., Minneapolis, MN 55407.
