

order's secrets.... It became known during the summer of the year that he was completing a book, to be published by the local newspaper printer, that would gravely compromise the order. Morgan was immediately deluged with suits for debt, and bail was either refused or disregarded." *10 Following various persecutions and jailings, we are further informed, "Set free on the following night, he was seized and carried from town, never to be seen again.... investigations proved that his abductors had conveyed him to Fort Niagara.... There seemed to be little doubt that they had murdered him there and thrown his body into Lake Ontario. Public excitement over the outraged was fanned to fever heat by the publication.... Masonry in New York received a nearly mortal blow, membership dwindled in the decade 1826 - 1836 from 20,000 to 3,000. During the course of the inquiries and trials it was revealed that the governor of New York and nearly all leading state officeholders were Masons."

WHERE ARE THE ELIJAHS OF TODAY?

The state religion in the time of Elijah was Baal worship, which was none other than phallic worship, (see I Ki. 18:19). The adherents had the governmental comfort of sitting at Jezebel's table. When Elijah contested the state recognized religion at Mt. Carmel, Queen Jezebel swore to have his head by the following day, (ch.19:1,2). We ask, where are the Elijahs of today? Are they not hid in the cave? Many preachers today are exposing every thing from A to Z, you name it, but are mysteriously silent on the "M". You can't get them to say a word about Freemasonry in their publications. Beloved fundamental brethren, it's time to come out of your cave and be recognized. It's time to shake this nation by its roots. If you are not willing to undergo the scrutiny and wrath of Jezebel, or lose "the king's portion" at tax time the first of each year, we suggest you stay in your cave, keep your mouth shut, and wait for the "bread" where you will be safe, (temporarily). After all, if your church, denomination, or council publication cried out against modern-day Baal, how would you gain acceptance and prestige with the government of Jezebel? Beloved, will you identify yourselves with Elijah's position at all costs? Where does your church stand, your council, your university? Now is the time, tomorrow will be too late! This question needs to shake the American Council all the way to Valley Forge, and rumble down the halls of Greenville, S.C. NOW is the time for all believers to take a stand! By way of conclusion, we would like to call your attention to the loving words of our Lord in Matt. 10:28, "And fear not them which kill the body, but are not able to kill the soul, but rather fear him which is able to destroy both soul and body in hell." The grace of our Lord be with you all who love our Lord Jesus Christ in sincerity and truth.
