

Share the holiday spirit with a mother in prison and her child. Aid to Incarcerated Mothers will have a "tree of hope" outside the women's prison at Framingham, this holiday season. Each \$5.00 that is donated will place a light on the "tree of hope" and will go a long way in providing:

- * transportation for children's visits
- * children's supportive services and recreational activities
- * family support upon mother's release

Please keep hope alive for these families-
the hope that they will one day be reunited.

Please light _____ lights; representing each \$5.00 contributed.
