Spring Issue

SPECIAL MEETING

1989

The special meeting on March 2nd will have Attorney Karen MacNutt, former President of Gun Owners Action League, GOAL, as a special guest speaker.

Karen, a widely recognized advocate of the individual's gun rights, will talk on the proposed legislation noted on the reverse side of this issue. Having had extensive experience with legislation, both at City Hall and State House hearings and in the courthouse as a defense attorney, she is in a unique position to help us put together a working plan of action to counter these anti-gun proposals.

Each and every one of the members should attend this meeting if you value your right to own and keep firearms. (Today you may be a law enforcement officer carrying a gun as a tool of your job - tomorrow you may be retired without the right to have a gun, even though there are a hundred bad guys out there just waiting to get even with you.) If you believe that you have the right to target practice, if you believe that you have the right to protect your life and the lives of your loved ones you should attend this meeting. No matter what reason you have for owning a gun you should plan on being at the meeting to help us defeat these anti-gun proposals.

Note:----- This is a MEMBERS ONLY meeting.
