

COMMENTS FROM THE MAIL

FROM CALIFORNIA:

"I wish to mention that your lovely monthly magazine means cheerful news to me each time it arrives. I love its deep-rooted Scriptures expounded as you do!"

FROM IOWA:

"Have been listening to your program for some and must say it's one of the best I've ever heard because one can follow by reading the the Bible with you."

FROM KANSAS

"I am sure many are hearing and wanting to know more. As you mentioned, it takes time; but as surely as the tide comes in, God's Word will be covering the earth."

FROM MINNESOTA:

"The Kingdom message is so hopeful and comforting, I just don't see why people should oppose it . . . May the Lord bless you and your message."

FROM MINNESOTA:

"How thankful I am for the help, encouragement, and growth obtained from TRUTH & LIBERTY Magazine."

FROM NEW JERSEY:

"On a recent trip through Oklahoma, I listened to one of your broadcasts from Tulsa. I wish to obtain the books offered."

FROM NORTH CAROLINA:

"I want to say we thoroughly enjoy the tapes and all the reading material . . . How much America needs this type of message. I have found that by living and teaching a positive way of living and putting ALL our trust and faith in God, He will bring us through whatever is ahead. I know things aren't right, but dwelling on them is only tearing down the faith the Lord tries to build from reading His Word."

FROM PENNSYLVANIA:

"The Kingdom Parables and the Old Testament have really come to live for me, as I know they have for those who are asking God to reveal truth to us."
