

Aristos

THE JOURNAL OF ESTHETICS

November 18, 1988

Dear Miss Anders:

This is in response to your letter of October 31 requesting information about Aristos, which I have enclosed even though you seemed to think that it was a political journal of some sort. ("Along with a classmate at college I have become very issue-oriented and we are not content with the 'answers' of the big political parties nor their media promoters.") For this reason, there is just one copy of each item enclosed.

If you do respond, I am curious to know how you learned of Aristos and more about you: what school you attend, and what your major area of study is. (If you decide to subscribe, you may do so at the special full-time student rate of \$10 for six issues--instead of \$20--but you must include a photocopy of your current student I.D.)

Sincerely,

Louis TORRES
