COMPROMISED: CLINTON, BUSH AND THE CIA

The true story of Bill Clinton's political sell-out to the CIA, and his unbridled political ambition which led him to compromise his ideals, in exchange for CIA support in his bid for the presidency-by former intelligence officer Terry Reed !. . . \$19.95.

*CRIMINAL POLITICS Magazine Publisher
Lawrence Patterson & Author Terry Reed - -
Coronado Bay Bankruptcy Seminar - October '94*

HENRY KISSINGER SOVIET AGENT

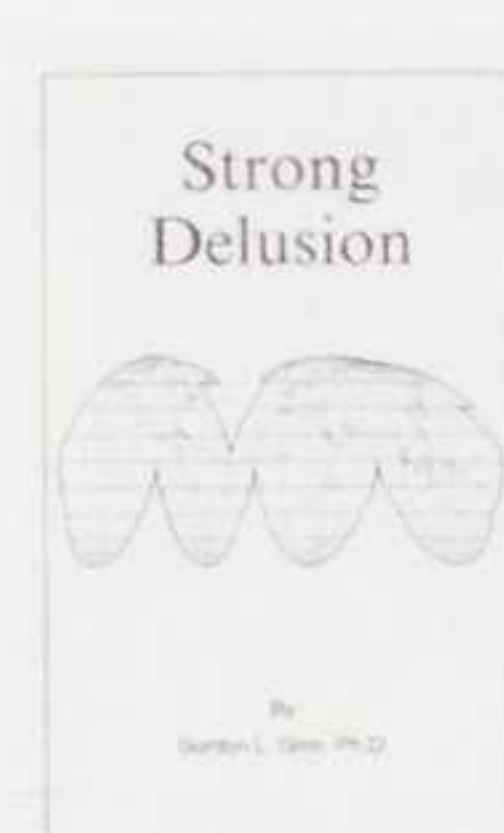

Frank Capell reveals the details of Kissinger's recruitment by the KGB, while serving as a sergeant in the U.S. Army Intelligence in captive Germany after WWII!. . . . \$11.00.

BEHIND COMMUNISM

Our Best Seller. . . .

This is a quick read - - full of photos and illustrations. Frank L. Britton's book is an excellent gift for neophytes who want quick answers \$2.95 each or 3 for \$5.00 (One of three books in the CP Starter Set - All 3 for \$15.50)

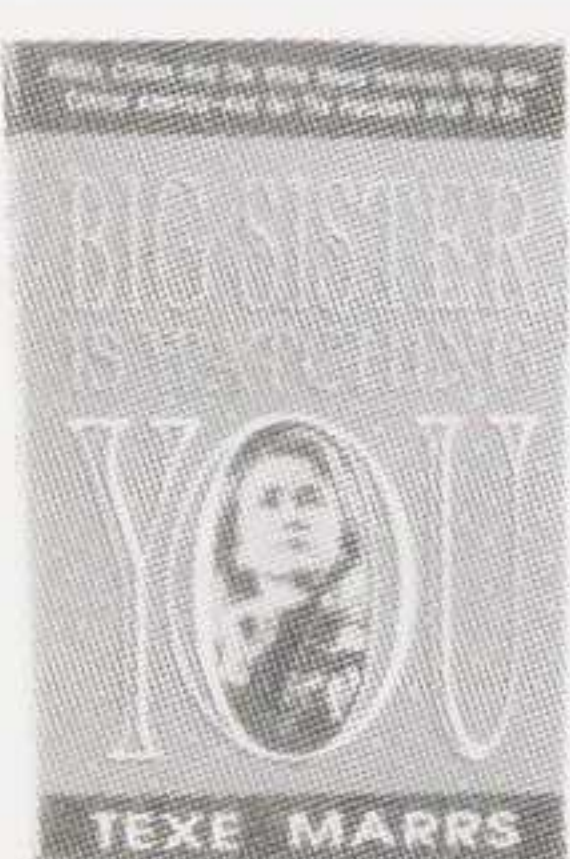

STRONG DELUSION

CP contributing editor Gordon Ginn, Ph.D. gives the reader an understanding of the forces behind the shaping of history and the fulfillment of Biblical prophecy. It shows the continuity of these forces from ancient times to the present!. . . \$6.00 (One of three books in the CP Starter Set - All 3 for \$15.50)

TRIBES

This original view of business turns on the critical point of ethnicity in the evolution of a global economy. Joel Kotkin explores the past, present and future of five "global tribes" - the Jews, British, Japanese, Chinese and the Indians! . . . \$13.00 (One of three books in the CP Starter Set - All 3 for \$15.50)

BIG SISTER IS WATCHING YOU

Texe Marrs unmasks the coven of brutally correct, ruthless and shrewd women, recruited and empowered by their boss, Hillary, who now have a stranglehold on the White House! \$13.00.

JFK: The CIA, Vietnam and the Plot to Assassinate John F. Kennedy

L. Fletcher Prouty's theories inspired the Oliver Stone movie JFK. Its premise is that the plot to assassinate Kennedy originated beyond the highest levels of the U.S. government! Former CIA operative Prouty is the character "X" in Stone's film ! . . . \$23.00.

BANKRUPTCY 1995

Harry E. Figgie, Jr. explains how serious the federal fiscal situation is, despite the government's best efforts to hide it. It hits the heart of the issue with well- researched facts, real-life lessons and common sense! \$20.95.
