

SPECIAL FREE OFFER ---- A GREAT BOOK, ABSOLUTELY FREE

P-3p

By sheer good luck, we have just received several hundred paperback copies of NO MORE WAR by Professor Linus Pauling, the great scientist and Nobel prize winner who here gives you the lowdown on the nature and dangers of radiation in nuclear tests. Professor Pauling is chairman of the Division of Chemistry at the California Institute of Technology. This clear, authoritative book is a must for all people who wish to be well informed on the key question of our day in this year of Presidential elections.

Originally published at \$3.50, this book is yours ABSOLUTELY FREE with every \$5.00 order for four copies of THE HONORABLE MR. NIXON.
