

If you are interested in a detailed discussion of the extent to which economics is a science, you will want to read our 89-page primer HOW WE LIVE, 46 pages of which are devoted to the natural economic laws which we can either honor or flout, to our advantage or disadvantage. Single copies cost \$1.00. Postage paid if check accompanies order.

A monthly editorial for use in whole or in part, with or without byline, in employee magazines, in executive communications, and as sermon and classroom material. Please send us copies of reprints.
