

FACING A NEW AGE

Present civilization is collapsing under attack as this Christian Era in Bible prophecy closes...

Our Immediate outlook as a Nation is bleak as conditions grow worse. For dark clouds of judgment gather fast over a Christ-rejecting, God-defying atheistic heathen world.

Watchman: What of the Night? We must enter our closet of all-prayer and shut the door! In so doing we pray & wait on our God for personal light to stem the horror of darkness, remembering that all the darkness cannot put out the light of one small candle..."Let your light so shine..." Our Lord said to his listeners.

The Divine Covenants of the Almighty God of Jacob are an anchor to the soul, both sure and steadfast...Here is our "hold" on God!

The greatest obstacle in God's way is 'man' himself. Man fouls the most perfect of Divine plans by his corruption. Man has made our world a wilderness. It is man that threatens the world with atomic destruction. The present crisis will finally come to its climax with the BATTLE OF THAT GREAT DAY OF GOD ALMIGHTY, which the Bible indicates will be the final struggle between the forces of good and evil...

There is a NEW AGE coming! The Kingdom of God upon earth!

.

CHRISTIANITY IS SUPERNATURAL

Miracle is the answer to atheism! The Holy Spirit is the Divine Worker of miracles...Those who deny the bestowal of spiritual power and 'gifts' today have the burden of proof resting on them...

COMMANDING POWER

Over the grave of every sin-darkened soul there lies the stone of Ignorance, stone of Prejudice, stone of Superstition...

Christ has placed into our hands the lever of commanding power that is able to lift the mighty incubus of spiritual death now lying hidden in that tomb.

That lever is THE GLAD TIDINGS OF THE KINGDOM OF GOD...Good News!

The Apostles of Christ preached "Jesus and the resurrection;" With great power too! It's the New Creation-Life Message!

Now---Today, He renews His call unto us..."ROLL AWAY THE STONE!"

Have you the courage and strength to obey?
