

Comments From The Mail

FROM WASHINGTON:

"For some time I have listened to your radio broadcasts, and because they have provided knowledge and understanding which I had never found in any church, I wanted to write of my appreciation.

For years I have agonized over the situation in our country, engaged in supporting anti-communist causes, looked for answers from various churches, but got exactly nowhere.

It hasn't been until I was made aware of the Christian-Identity message that things fell into place and I obtained an understanding of the whys of it. Instead of continual frustration, I found a sense of peace and a much deeper faith in God. It certainly is true that until Christians realize their identity as Israel, it is impossible for them to understand the present day crises.

If you have a Newsletter, I would appreciate being on your mailing list. I thank almighty God

for answering my prayers for knowledge and understanding of His Word."

FROM CALIFORNIA:

FROM NORTH DAKOTA

"We just appreciate your tapes so much and do play them over and over.

And it seems your magazine articles get better and better each time. There is such a wealth of information and teaching in them.
