

The State Department admits that already 12,000 foreign troops are here in this country, and that EXECUTIVE AGREEMENTS are already in operation, making it almost impossible after two years of secret operations, for the Senate to undo this outrage!

This is the "Iron Curtain" going down over America, and indeed the entire world!

I recall that testimony was given before the Dies Committee in Congress many years ago that the Soviets plan a Black Soviet Republic in our South, and that they intend to give our Pacific coast to the Japanese!

Well, its coming to pass now with these terrible foreign policy bills, drafts, wars and secret treaties. I wonder what secret treaty we got with Japan? when it's admitted that the N.A.T.O. is to be extended to take in the Pacific under the greeements with Japan made at the time of the Japanese Peace Treaty, whereby JAPANESE ARMED TROOPS ARE TO OCCUPY AMERICA! and that is in the Hearing on the recent supplemental N.A.T.O. Treaties now about to be ratified on the Senate floor!

I also recall that during the second world war that Russia had a Treaty of alliance with Japan, and that Russia did no fighting in Asia, and did not come in on our side until AFTER WE HAD DONE ALL THE FIGHTING AND WE HAD WON THE VICTORY! the Japanese had tried to surrender SIX MONTHS before we accepted the surrender of Japan, and we held it up to allow Russia to get in on the spoils of war and take over just a few days before the Peace! in the meantime for SIX MONTHS our boys were NEEDLESSLY DYING!

Also I recall that BEFORE ANY PEACE WAS CONSUMMATED the "Reds" put over on us THE CHARTER OF THE UNITED NATIONS! a WORLD GOVERNMENT! and I identified these "Reds" who ganged up on the Senate to pass it. I fought the Charter before the Senate Foreign Relations Committee in July, 1945. U.N. WAS THE SECRET SOVIET POLICE STATE PLANNED? IT APPEARS THAT WAY NOW more even than it did to me at the time. THE EVIDENCE PROVES IT WAS AN INTERNATIONAL CONSPIRACY TO TAKE US OVER AND THEY GOT OUR ARMED FORCES AND ARE NOW MASS-MURDERING OUR MEN! and plotting more Treaties.

Also under Truman's Point Four Program the United States is being flooded with negroes from the British colonies and Puerto Rico. Until now almost every city is being overcrowded with negroes, and the U. S. GOVERNMENT DEPARTMENTS ARE ADMITTEDLY ONE-THIRD BLACK!

NOW THE JAPANESE ARE TO OCCUPY CALIFORNIA WITH ARMED TROOPS!

WHAT AILS YOUR BRAINS? OR ARE YOU ALL TRAITORS? I want to know.

YOU ARE RESPONSIBLE, FOR CONGRESS PASSED THESE TERRIBLE BILLS!

And here you are considering MORE OF THE SAME! You ought to be busy REPEALING the Charter of the UN and the NATO and STOP WARS AND DRAFTS! and get our armed forces back HOME.
