Revolution and Education in Peoples Korea: Theses on Socialist Education by Kim Il Sung, introduction by Deirdre Griswold, published for the U.S. Out of Korea Committee of Youth Against War and Fascism by World View Publishers.

First printing—October 1977

Composed, printed and bound entirely by voluntary labor

Free, public education in the Democratic People's Republic of Korea begins with nurseries and day care centers and continues through adult education classes. Here, kindergarten children dressed up for a song and dance performance pose with President Kim Il Sung.
