

PETITION FOR REDRESS OF WRONGS TO THE CONGRESS OF THE UNITED STATES.

From Mrs. Agnes Waters (Only Woman Candidate for President of U.S.A.)
Box 3560, Washington 7, D.C.

"THE LOCUSTS" of WORLD REVOLUTION!

For more than 16 years hordes of "Red" Zionist Jews have brazenly swarmed over Capitol Hill in Washington, D.C., U.S.A., and they have arrogantly appeared as witnesses and lobbyists on Capitol Hill pressing for and demanding every step to war and every New Deal or "Fair Deal" bill! These Jews descended upon the U.S. Capitol like a swarm of locusts with Roosevelt. Often they have come here in swarms of two and three thousand pickets, or lobbyists! Many of these "Red" Jews, who were the proponents of the Roosevelt Administration and the heads of the Executive Departments, during the Roosevelt and Truman regimes, were named as "Red" spies for Russia by Miss Elizabeth Bentley, by Whitaker Chambers and by Louis Budenz and others who were former Communists. Among the "Red" spies named by Congressional witnesses was the convicted spy-perjurer and State Department official, Alger Hiss. Alger Hiss was Secretary General of the "United Nations" at San Francisco. Every Russian atomic spy so far caught by the F. B. I. is a Jew, or a Jewess! who have betrayed America, the land that gave them a safe haven of refuge! Stop these Jews! How do you hope to win a war with Jews in power?

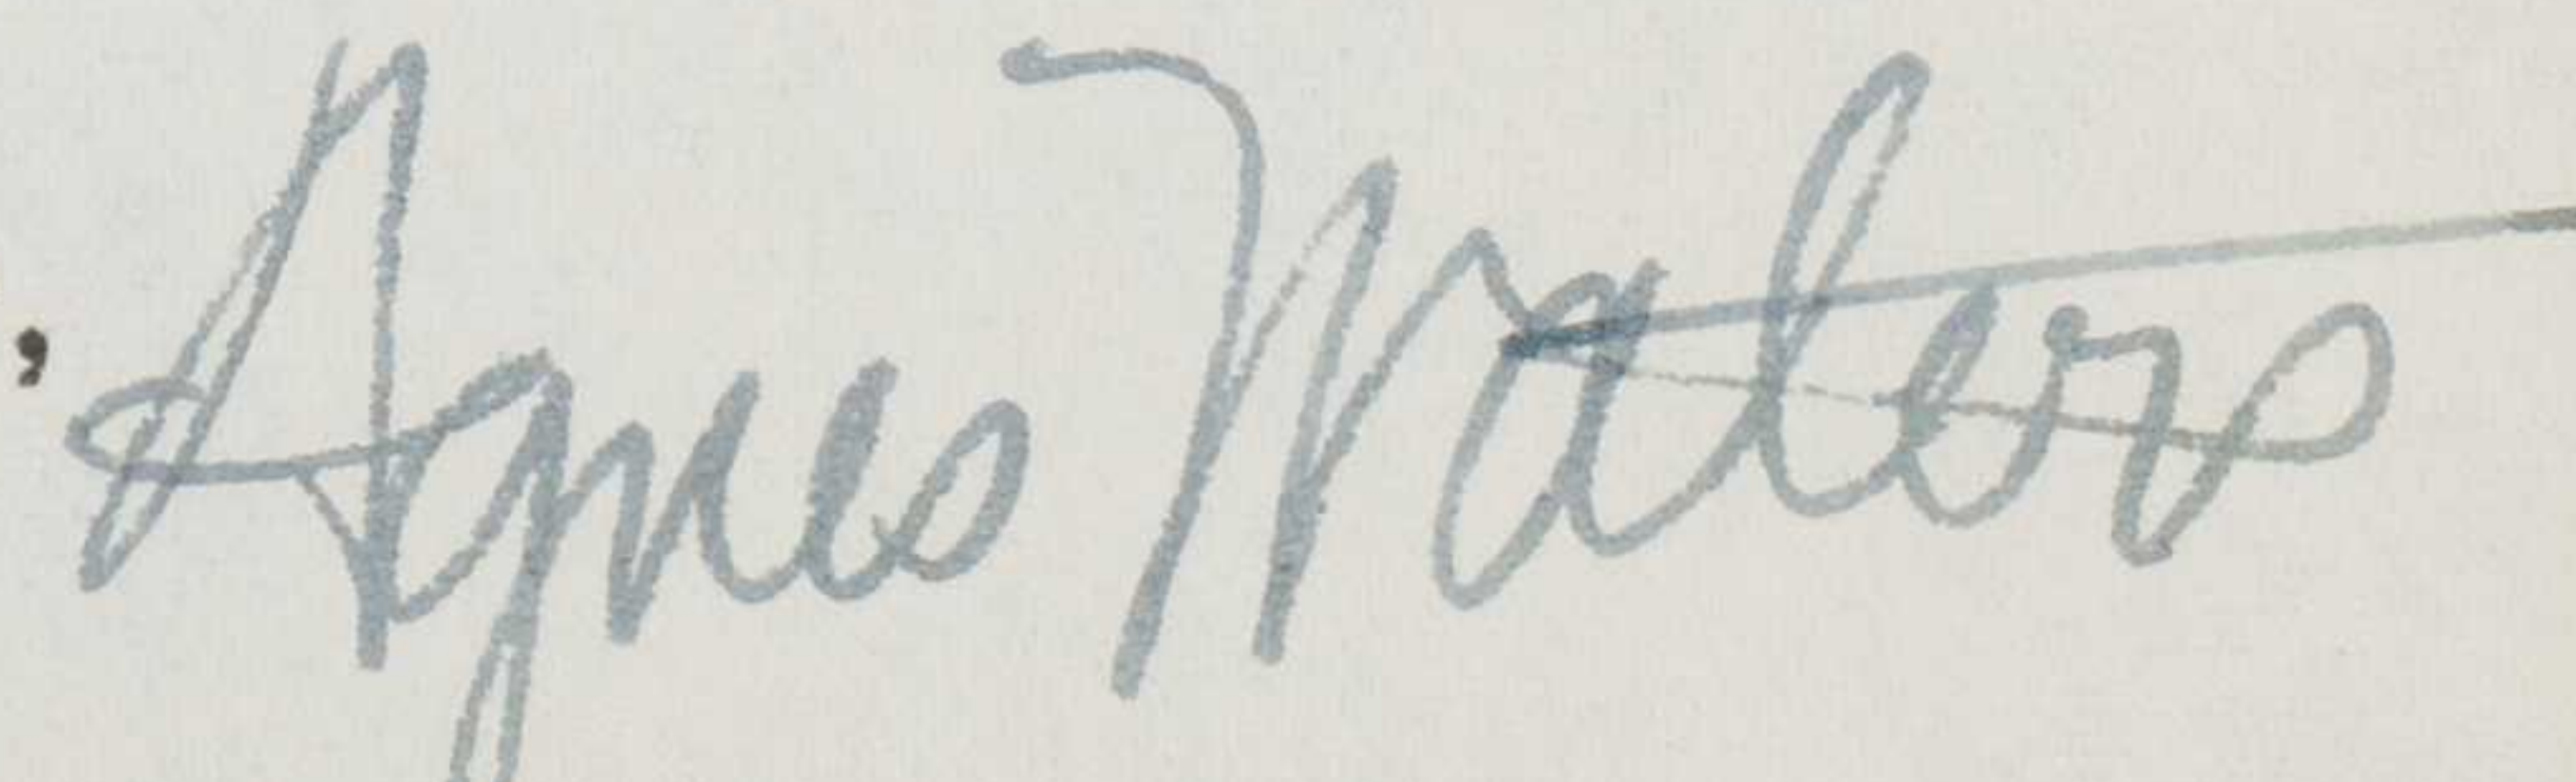

Communism and Judaism are one! Yet Congress allowed Jews to be in charge of every program supposed to be for "containing" Communism, even to the atom bomb! Run these "Red" Zionist Jews out of here! Arrest, try and hang the traitors! Arrest these "Red" Jews! Try them and hang them if found guilty, or chase them back to the Russia they are serving so well! Or hang them! Repeal the Charter of the "United Nations" and run these "reds" off our shores! And now these same "Red" Jews are directing the war in Korea and they are in the saddle in the Department of Defense at Washington in the Pentagon, directing the Jew "United Nations" war and using our men, money and blood!

Recently I have seen them dressed in the uniforms of the highest ranking U.S. Army and Navy generals and admirals, where they appeared on July 20 and 21, 1950, before the Senate Armed Services Committee pressing for war with a bill to lift the ceiling on the number of men to be taken, and demanding that they be given millions of boys! to be placed under the "United Nations" and sent anywhere the Jews send them for mass murder in Korea and in other "Red" traps these Jews have set for us! Their game is to deplete us of men, money, and might! They want to draft the Veterans! This is not a war. It is a massacre of the American armed forces! The "United Nations" is using our men, money and might for their "wars" or plots and it is being done under the direction of the "Red" Jew "United Nations"! That is "Red" Jews from top to bottom! It's the "New Deal" kicked upstairs, whose representative in Korea is the "Red" Zionist Jew Col. Alfred G. Katzin of the Union of South Africa, who is the personal representative of the Secretary General of the "United Nations", Trygve Lie!

We supply the cannon-fodder for the butchers! No other nation sends their men or might! The preparation for this massacre was laid under the direction of the "Red" Zionist Jew, U.S. Maj. Gen. L. L. Lemnitzer, who is the Director of the Military Aid Program and he has armed the Communists of the world. This Zionist Jew is also the military "adviser" to the Secretary of Defense, Louis Johnson! Under the direction of this Zionist Jew 95 billion dollars worth of war materials are gone! How do you think we can win the war with these "Red" Jews in Power? With 95 billion dollars worth of our guns these Jews have set many traps like Korea! Arming natives for revolution!

Yours for America only,

AGNES WATERS
