Gentlemen:

It is indeed a pleasure to enclose with this letter a copy of our 1967 Annual Foreign Trade Directory.

This Directory follows two very successful previous Directories, and we trust that you will find it of interest.

We would appreciate very much your co-operation in publicizing the availability of these to interested parties in your host country and keeping a copy available in your office.

If additional copies are required, we would be happy to forward them to you, or to any interested firm or organization contacting us directly.

Naturally we are proud of the advances our area is making in international trade, and hope to increase this even more by efforts such as this Foreign Trade Directory.

Thank you very much for your assistance once again in this most worthwhile endeavor.

Very truly yours,

INTERNATIONAL TRADE CLUB OF GREATER KANSAS CITY, INC.
