"WE BESEECH MARY...HIS VICAR BE LIKE HER SON..

"Yet even for many Catholics one paramount fact seems to obscure amid world-wide coverage. That paramount fact is that JOHN XXIII IS THE VICAR OF OUR JESUS CHRIST ON EARTH. That is not just a pious belief: it is a reality. It is the reality that gives meaning to everything that he says or does or that goes on around him. Shepherd of the entire flock given to him by Jesus Christ, his one job is to lead us to Heaven." - Novena Notes, 21 Nov. 1958.

My dear Representative:

Our members want you to support the PROGRAM FOR SEGREGATION.

The social planners are enticing us down the black road that has led so many nations to their doom. Unless they are recognized for what they are, and are stopped, they will destroy our beloved Republic of 49 State Governments.

The Washington Administration assumes the role of a parent with little children - in providing for our needs. But, it is a black road of no return ! except destruction.

The 49 State Government's Authority is gone with the wind. Private enterprise is no more.

The United Nations Charter takes over ! and its power must protect itself. Read Article 6 - Treaty Made Becomes the Supreme Law of the Land, and All Judges Are Bound Thereby. There is no doubt that the reserved rights of the States, and of the people, have been encroached upon and disarmed in the United Nations Charter as though there were a well-laid plan to centralize all powers of our government functions of federal and state and local government in violations of the constitutional restrictions. The UN has committed a palpable and dangerous transgression against the sovereignty and property rights of the states or the people.

THE CONSTITUTION cannot be protected against deliberate, palpable and dangerous usurpation by a court from which there is no appeal.

This is totalitarianism. This trend is toward the leveling of life to a common world brotherhood. This is true ! IT IS TRAGEDY IN OUR TIME. THIS IS NOT THE LIFE WE CHERISH !

HORACE SHERMAN MILLER and COMMITTEE IN ASSEMBLY 15 January 1957.
