

Profiles of Patriots: GERALD L K SMITH

by FR Cochran

Out of the farm belt of Wisconsin came a fighter, a preacher--an Aryan fighter, an Aryan preacher! Gerald LK Smith could make you cry or laugh and could turn an adversary into a life long Aryan patriot. Even enemies, when sent to report on Rev Smith, would end up cheering him on. Such was the power of speech that Yahweh God gave to Gerald LK Smith.

Rev Smith was born in 1898 and went to our Heavenly Father Yahweh in 1976. A racial patriot for over 40 years, during his life time Rev Smith spoke to over 35 million White people, always alerting them to those ever present enemies of our race, the Jews.

Teaching an early form of Identity, Rev Smith stated: "As a believer in Jesus Christ, born of the water and the spirit, I am of the seed of Abraham, circumcised by faith", further proclaiming, "It is common knowledge that the physical Jesus was fair and blond and of open countenance and bore no resemblance whatsoever to the modern hook nosed shop keeper, money changer, brothel owner and whiskey peddler, the Jew!"

During the 30's Gerald LK Smith worked with Huey Long. After the assassination of the Kingfisher, Rev Smith joined with radio priest Father Coughlin, Francis Townsend and Congressman Lemke in forming the Union Party, which stressed Aryanism, sound money and a constitutional central bank run by the government rather than the privately owned Federal Reserve Board. In the 1936 Presidential elections the Union Party gathered over 890,000 votes.

Gerald LK Smith has been credited with being the idea man of over 2,000 racist groups. He kept the racial flame alive during the 30's, through the dark Jewish war years of the 40's and right up to his death. Rev Smith was one of the first to publicly state that the holy hoax never happened (in 1949). His publication, *The Cross and the Flag*, had one of the largest circulations of racist periodicals.

Rev Smith opposed the Jewish run organization known as the UN from its inception, warning: "The United Nations is the greatest subversive plot and plan in the history of the world for the destruction of the Constitution of the United States and its substitution by a World Government with all our citizens slaves." He further stated: "I knew that Reds, mostly Jews, had been the instigators...but the whole thing was a dreadful scheme to loot America's wealth, drain the blood from our sons and destroy our national sovereignty."

With the present talk of a "New World Order", Rev Smith's words are coming true.

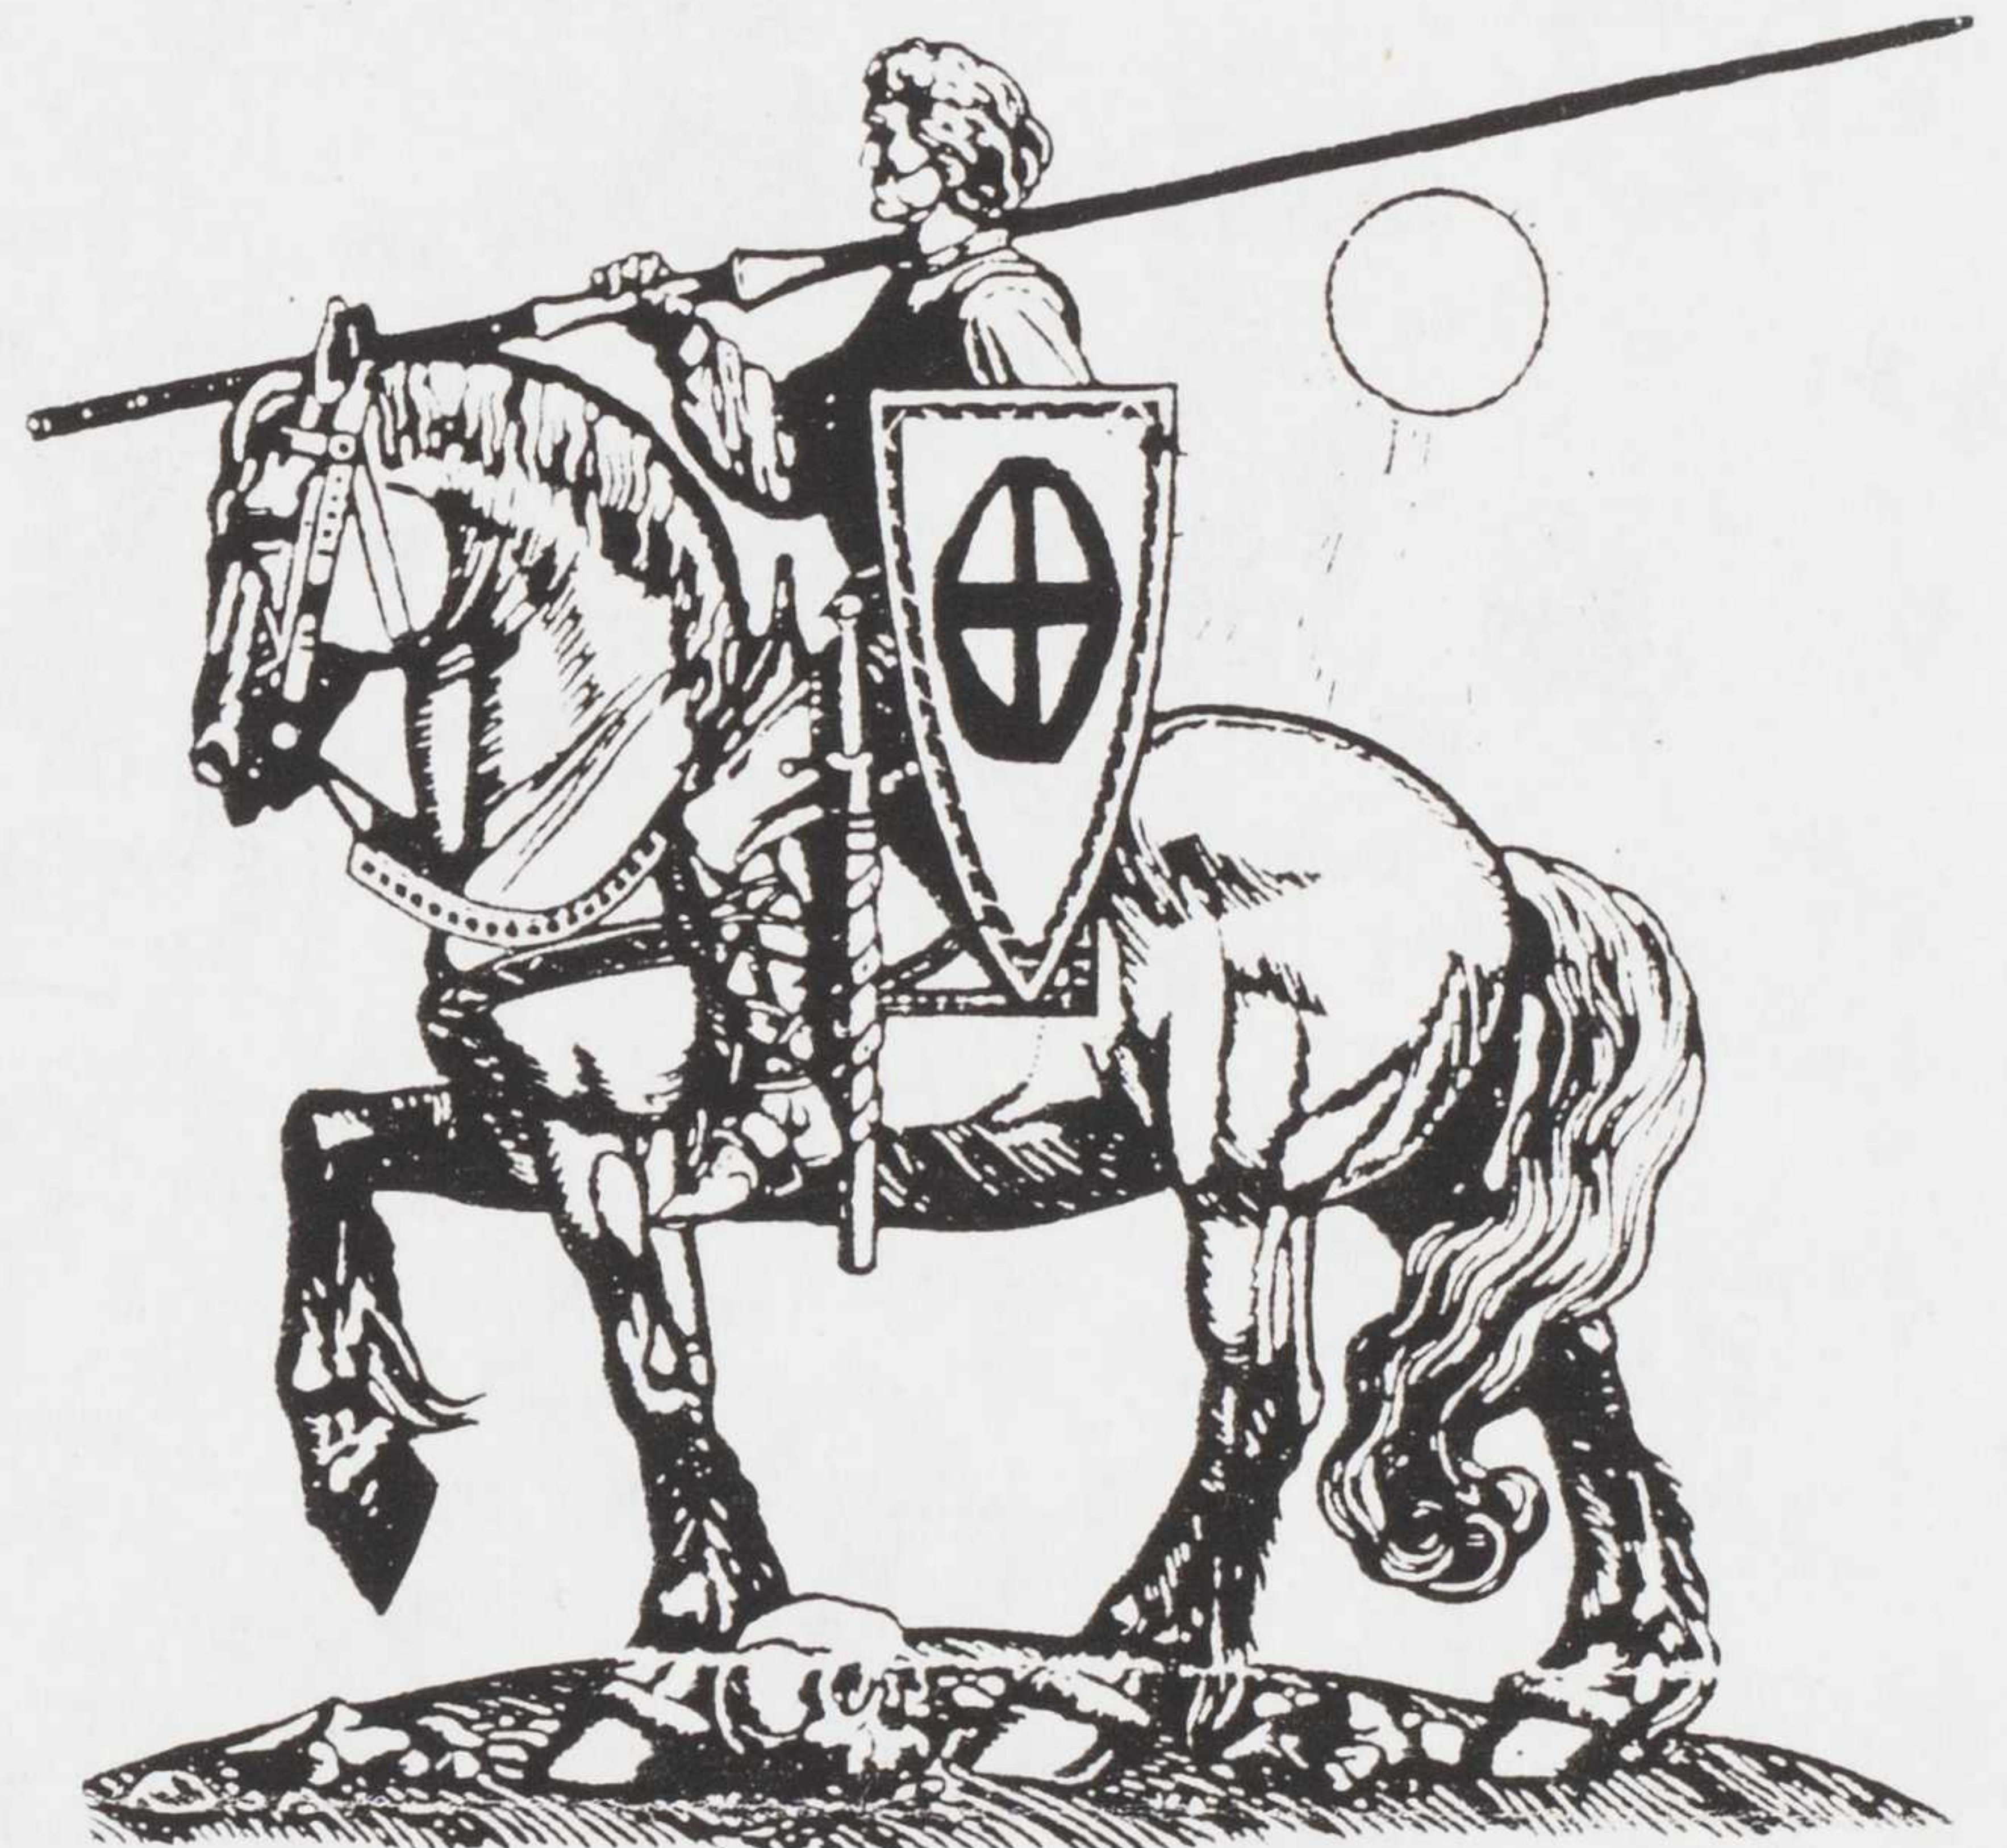

Later in life, Rev Smith started his Sacred Projects--the building of a monument to Jesus Christ in Arkansas, with his statue of Christ the largest such statue on the North American continent, and the annual

performance of *The Passion Play*.

In closing, I would like to quote from one of Gerald LK Smith's speeches, given to over 10,000 people in Cleveland, Ohio, in 1936:

"You sit and take it while I pour it to you. I'll tell when to clap. I come to you 210 pounds of fighting Louisiana flesh, with the blood memory of Huey Long, who died for the poor people of this country, still hot in my eyes...I'll show you the most historic and contemptible betrayal ever put over on the American people...Our people are starving and they burn the wheat! Our people are hungry and they kill the animals! Led by Henry Wallace and by a slimy group of men culled from the pink campuses of America with friendly gaze fixed on Russia...they had the face to recognize Russia, where two million White Christians have been butchered and the churches are still burning...My real mission is to see that the red flag of the Jews is not hoisted in place of the Stars and Stripes...now give that a hand!"

Gerald LK Smith was one of the greatest Aryans this country and our race has ever had. Give that a hand!

"When human hearts break and human souls despair, then from the twilight of the past the great conquerors of distress and shame of disgrace and misery of spiritual slavery and physical compulsion look down upon them and hold out their eternal hands to the despairing mortals. Woe to the people who are ashamed to grasp them."
