

And the United Nations IS A HOT BED OF "RED" SPIES AND AGENTS ACCORDING TO YOUR OWN SENATE INTERNAL SECURITY INVESTIGATING COMMITTEE! with the list of these "RED" JEWS all printed by the U.S. Senate! Just read the Record.

THE U.N. MASS MURDER MACHINE

All during the Korean War the Soviets were in charge of the mass-murdering of our American boys under the "UN Police Action." The Soviet Generals staffed the U.N. Military Committee, one Soviet Gen. Vasiliev was the Chairman of the U.N. Military Committee and he planned THE ARMING OF THE UNITED NATIONS. See State Dept. Bulletin 422-a of Aug. 3, 1947, and then read the "White Paper" on the Russians launching the war in Korea with this same Soviet Gen. Vasiliev giving the orders to attack over the 38th Parallel, and this paper was put out by the U.S. Defense Dept. on May 15, 1954, years after we had lost our men.

THE HIGH TREASON

You permitted Pres. Truman to turn our armies over to The United Nations altho you had the evidence that it was a hot-bed of "REDS," and you knew and he knew that the Soviet Arkady A. Sobeloff was the MINISTER OF WAR AND INFORMATION AT THE "UNITED NATIONS" HEADQUARTERS IN NEW YORK, AND WHAT DID YOU EXPECT OF HIM? Any school boy could tell you that every move we made would be reported back to the Chinese "REDS," and that our great American Generals would not be allowed to win the war in Korea. See the testimony of Gen. MacArthur and the testimony of Gen. Van Fleet taken before YOUR SENATE COMMITTEES, and yet you would give away the power to declare and wage another bloody mass-murdering war in the Indo-China massacre in 1954, and who when your leaders told Pres. Eisenhower flatly that they would not ask Congress to declare war in Indo-China, Pres. Eisenhower then went so far as to put pressure on London and got Winston Churchill and Anthony Eden to come over here to TRY TO MAKE THEM DECLARE WAR.

THE MASS MURDERS IN INDO-CHINA

AND THE FRENCH HAD NOT DRAFTED ONE FRENCHMAN FOR THAT WAR, but Pres. Eisenhower was willing to draft American boys for the French to pour down that rat hole where they had thrown the bodies of 48,000 poor German prisoners of war that they had inveigled into enlisting in the French Foreign Legion.

THE WAY TO STOP ALL WARS

I stopped that massacre BY GRABBING THE OLD JEW BARUCH ALMOST BY THE THROAT THAT DAY WHEN HE WAS ON HIS WAY TO A LUNCHEON WITH THE LITTLE POT BELLIED WHITE RAT OF A JEW from England, the Labor Govt. leader, Herbert Morrison, and they were going to meet Churchill and Eden to pressure them into war. The luncheon was given by the Jew, Eugene Meyer, of the Washington Post.

Now let us lift the curtain once again and take a good look into the present mess that you would take us into, for foresight is far better than HANDSIGHT.

STATE DEPT. "REDS"

The State Dept. claims that we got to send our armies or rather that the President must have the power to declare war and wage war in the Middle East, as they say that we got to keep Russia out.
