RE: THE "UNITED NATIONS" WAR IN KOREA!

Petition for Redress of Wrongs to the Congress of the U.S.A.

from

Mrs. Agnes Waters
Box 3560, Washington 7, D.C.

I demand the impeachment of President Truman for betraying our armies to the Soviets!

Warning: On July 20 and 21, 1950, I saw Soviet "Red" Jews in the uniforms of our highest ranking admirals and Generals from the Pentagon appearing before the Senate Armed Services Committee for bills to lift the legal ceiling on men for war! They were heard and they got the men too!

What ails Congress that they let the "Reds" get away with mass murder? Don't forget that the "Red" Soviet Jew Jacob Malik is the President of the "United Nations" Security Council and that President Harry Solomon Truman has placed our boys at the "disposal" of the United Nations Security Council and that President Truman has put our armies under the "United Nations" and he has put the "United Nations" flag over our battlefields! No wonder our boys are being mass-murdered in Korea! And they will not only continue to be massacred, but more such "Red" Jew set-traps will be sprung with our bodies at many more points in the world! Unless you who read this letter do something to stop this war! Act now!

Run the "Red" Jew "United Nations" off our shores! End the Jews' Wars!
Get these "Red" Jews out of office! Purge our Armies of "Red" Jews!
This is election year, get the traitors out of Congress too!
Communism is Judaism! If you want to find a "Red" look for a Jew!
Our armies are in the hands of the Jews! Stop this war!
It's a Jew plot to deplete us of men, money and might! Under the Soviets!

This is a description of some of the treachery that placed our Armed Forces under the Soviet "United Nations" Security Council! It's the facts behind the treason exposed in the State Department and other Executive Departments in Washington, D.C., which was "white-washed" by the Tydings Committee. Before you give your son to this Jew organized inferno in Korea, or any other place, have you investigated the facts behind this war?

Do not give up this fight! All is not lost! But you must work if you want your country saved. So, please let me hear from you at once. Help by giving out this Petition for Redress of Wrongs! Send for some copies now! Please sit down and write to me today! I need your help now! And I have more interesting material that you should have to distribute.

First of all I want to make it clear to you that public opinion is the only lever that will save America! It's the only thing the "Red" Zionist Jews are really afraid of in this country, and it was on account of public opinion in early June and in an election year, too, that the Congress did not dare to put through those terrible war bills to set up a dictatorship here! Or to draft our veterans for war under the Jew "United Nations", or to place our boys "at the disposal of" the "U.N."
