

Copy of Postcard from Paul E. Anderson

Dated January 11, 1948

Dear H and T --- I should add, of course, that I and the corporation will be sold to the newspaper group complete, no strings attached or tied, so that it will not be that I am trying to have or hold any interest in the thing as a person or corporate entity. This transaction will be merely a purchase at nominal value of shares outstanding or an exchange for new shares, or anything else, mutually agreeable.

Good luck on your trip
down to D.C. and your negotiations

Yrs & c
