Action Rio USAID 936 info Salvador USAID 131 subject unpaid
bill of Moinho Salvador for bagging ref. USAID 529 18th

FOR GILL FROM MAHER

Subject discussed with Peterson and he advises the following:
We received corn bulk Salvador, Usaid purchased sacks required
to cover sacking entire shipment. Mill failed to weigh sacks
after being filled and consequently due various weights more
sacks were required. Mill purchased additional or used their
own sacks without any authorization Usaid. We therefore feel
we should not be responsible payment of this bill and so advised
the Mill when payment was first requested.
