

OLD MAN JEW WINNIE OF ENGLAND — London, April 13: "If Israel is dissuaded from using the life force of their race to ward off the Egyptians until the Egyptians have learned how to use the Russian weapons...and the Egyptians then attack, it will become not only a matter of prudence but a measure of honor to make sure that they are not the losers by waiting."

The ranting of an infamous fool. The Zionists are doing everything in their power to force Egypt to make one move which they can spotlight as "aggression" so as to justify their firing the first gun in World War III. If and when they fire that gun, it should backfire and smash every one of them into atoms.

DOROTHY THOMPSON SAYS A MOUTHFUL — April 22: "In one way or another America has been subsidizing Israel, to the tune of \$165 per year for each of its citizens. But at no time has the United States been able to control any of Israel's policies. Mr. Ben Gurion has never asked America what he should do; on the contrary, he and his American partisans tell America what it must do, acting as though Israel were itself a Big Power.

"Israel's quarrels with her neighbors have been transferred to every American platform. Thus a very little tail wags the great American dog and a million and a half Israeli Jews control the responses of five million American Jews, tens of thousands of whom are disgusted and/or alarmed, but few of whom dare to say so publicly."

This ought to put some of us Nationalist Jew bootlickers to shame, and it would if we had any sense of shame remaining. To hell with the Zionist Jews and to hell with the Jew bootlicker. "How can ye escape the damnation of the geennes?" A great preacher of principles and values said that.

The Administration has met the challenge of Zionism vis-a-vis, bric-a-brac and brick-batic -- head-on. The Administration is saying: "All right, we'll see what effect your precious little 'Jew vote' is going to have on the outcome of THIS election."

That's one of the 101 reasons why GRs is FOR this Administration -- as the best that we CAN GET in THIS election year -- the others being not at all acceptable.

The Administration has not said to the ZIONIST Jews, "Put up or shut up," but SHUT UP!
