

FRC is gaining a sense of the contribution income we will have available in the new year. The early indications are not good. We have moved the ball downfield on a number of issues. The child tax credit is a reality; the Defense of Marriage Act is a law; Congress, if not Bill Clinton, has agreed that we need a ban on partial-birth abortions; and both adoption and abstinence have new federal support. The war is far from over, however. There is much that needs to be done. Please prayerfully consider what you can do to help keep FRC's seasoned troops in the battle. Your generous support means more to us than you will ever know. God bless you.
