

TOUR HAITI AND CARIBBEAN ISLANDS WITH BROTHER CULPEPPER

This is your opportunity to go to the mission field with Brother Culpepper

You will attend 5 great services in Port-Au-Prince the principle and capital city of Haiti.

Haiti is one of the most needy mission fields in the world and you will see with your own eyes the lost and needy as they reach out for help. Haiti constitutes about one-third of the Caribbean Island of the Dominican Republic and is crowded with over four million starving souls waiting for the bread of life both spiritually and physically. Very few ships dock at her ports and few tourists come to her cities. The average income per capita is \$24 per year . . . not month . . . year.

You will also visit and see for yourself what WWRC is doing to alleviate the suffering, starvation and privation of these people. The picture at the right shows a group of orphan children that we are helping each month.
