

That's why I'm writing you today. By becoming a member of the **Animal Legal Defense Fund**, you can play a direct role in helping put animal abusers behind bars, where they belong. And you'll send a loud and clear message to others like them: "If you choose to abuse animals, you will be treated like the common criminal you are!"

I wish there were some way we could magically erase the sick abuse of animals that's rampant in our society. Particularly when the victims are wonderful, loving creatures like the ones who share my home and yours.

Sadly, we can't make cruelty disappear overnight. But we can and must put animal abusers away -- one criminal at a time!

That's why ALDF has declared all-out war on animal abuse. Please join this important fight by becoming a member of the **Animal Legal Defense Fund** today.

You can join ALDF for as little as \$15. That means that for less than a nickel a day you can give animals everywhere the best legal defense that money can buy.

Crimes like Numan Algaza's are committed every day. And bringing criminals like him to justice is what ZERO TOLERANCE FOR CRUELTY is all about.

By working together, we can enforce legal protections for animals and move towards a society that doesn't tolerate cruelty. I can't think of any other way you can have such a direct impact on the welfare of animals.

Animals are helpless to defend themselves. So please join ALDF today and give them the protection they so urgently need.

Sincerely,

Joyce Tischler
Executive Director

P.S. Numan Algaza pleaded guilty and was sentenced to four years in prison. Please help us expand our efforts to keep criminals like him behind bars and to protect animals from wanton cruelty! We can't do it without your help.

P.S.S. I hope that when you join ALDF you'll proudly display the enclosed bumper sticker to show just how committed you are to putting animal abusers behind bars.
