HOLY TORTILLA

In 1977, a startling thing happened in the kitchen of Maria Rubio. She said she was cooking a tortilla when suddenly the face of Jesus Christ appeared right there in her skillet. Believing it to be a miracle, Eduardo and Maria Rubio converted part of their living room into a shrine—the Shrine of the Holy Tortilla. Believe it or not, more than 10,000 pilgrims have trekked to the Rubio home in Lake Arthur, New Mexico to give thanks for recoveries attributed to the holy tortilla.
