

The liberal co-sponsors of this repulsive resolution -- Senators Cranston, Kennedy, Moynihan, Packwood, Inouye, and Matsunaga -- are conspiring against us to get S430 out of committee and onto the Senate floor.

If their conspiring succeeds, Senate Resolution S430 will come before the entire Committee on Labor and Human Relations.

You and I must join our forces to stop this conspiracy. And defeat this hideous amendment before it gets out of committee. For this is the last stop before S430 goes to the Senate floor for a vote.

And it is unfair to ask the American Senate to waste valuable time voting on such an absurd and repulsive amendment. We must stop Senate Resolution S430 before it gets any further.

The time has come to let Washington know exactly how you feel. Stand up and be heard against S430.

Remember, if you don't want to work with a homosexual; if you don't want to hire a lesbian; and MOST IMPORTANT OF ALL, if you don't want your children taught by homosexuals and lesbians; PLEASE sign your petition to STOP THE PASSAGE OF SENATE RESOLUTION S430 and mail it to me immediately.

Now is the time to TAKE A STAND AGAINST liberals and perverse homosexuals.

Now is the time to TAKE A STAND FOR your family's rights, your children's rights, your American business rights.

The American Family Association has authorized an emergency budget of \$19,750.00 for the next ten days to fight the passage of this immoral, anti-family legislation.

Once we receive the petitions, the information will be tabulated, and the results summarized for distribution.

Next, every single Senator on Capitol Hill will receive a copy of the results. The results that Americans are exceedingly against Senate Resolution S430.
