

Also let us not forget that Pres. Eisenhower in a radio speech from Denver, Col. on the unveiling of a Memorial to the father of the Jew, Barney Baruch in New York City, told the audience that he owes everything to Barney Baruch. Mr. Baruch has been the head of the Sanhedrin and the unofficial president of the U.S.A. for 40 years.

Now a President of the U.S.A. with that record should not be entrusted with the power to declare or wage a war, for these Jews have been the enemies of all Christianity for two thousand years, and they are responsible for a war-mongering propaganda machine that has got us into two world wars to save the Jews from the Kaiser, then to save the Jews from Hitler, and now that very same Jewish war-mongering propaganda machine is going full blast on Capitol Hill again with cries of going to war again this time to save the Jews from the Arabs!

THE "BLEEDING HEARTS" IN CONGRESS ARE ALL FOR SAVING THE JEWS

I know this to be a fact for I heard and I saw the very same gang of Jews testifying again before The House Foreign Affairs Committee. I mean they are the same witnesses for war as before World War II. They were the JEWISH WAR VETERANS, and just read their testimony given on Jan. 15, 1957 before the House Committee on this Resolution.

THE JEWS WERE ALLOWED TO TESTIFY FOR HOURS, BUT I WAS DENIED 5 MINUTES

It made me so angry that I got up twice and I raised such hell on those DAMNED Jews over there that I got dragged out of that Hearing.

Now the American people are sick and tired of these JEW WARS. And we are in revolt against war. And I said so AND HOW TOO. Have you seen the full page ad for war to save the Jews from the Arabs that was published as a paid ad by the same old gang of "bleeding hearts" for the Jews. It was headed in big bold letters "STOP HITLER" and printed in The Wash. Post on Friday, Jan. 25, 1957. DOES THAT LOOK LIKE WAR? It's very familiar to me.

THE "WARS" TO SAVE THE JEWS

So with all this vile Jewish warmongering propaganda to get the United States into World Wars to save the "persecuted" belly-aching TREASONOUS Jews from the enemies they themselves made with their "RED" revolutions against Christian governments for the last two thousand years, going on here for nearing 40 years past, the great body of the American people who are CHRISTIANS are getting pretty mad at the Jews. In fact we have been getting ready to shoot these enemies out of here for more than 20 years. The Jews have been run out of every country in the world except this one, AND THEY GOT IT COMING HERE TOO! and NOW! for at the crack of the next Jew inspired war, 100 million Americans are going to clean these enemies of Christ and country right out of America! We will give them something to really belly-ache about, and it will make Hitler or the Arabs LOOK LIKE A PIKER!

THE "COLD WAR" AGAINST AMERICANS

Also we are aware of the fact that an Army travels on its stomach, and we realize that all our food and clothing and medicines indeed all our supplies have already been captured by these enemies within our gates, who have come into this country with suitcases full of thousand dollar bills that were stolen from the U.S. Treasury under the Jews Henry Morgenthau and Harry Dexter White alias Weiss, who
