

NAMIBIA INFORMATION SERVICE

A vital aspect of Namibia/Southern Africa Support work must include press relations. You can effectively help improve the quality and quantity of reporting by monitoring the news, lobbying media, challenging unfair coverage, and letting your voice be heard with calls, letter-writing campaigns and other forms of protest. Below are a few of the most influential and pervasive news organizations and appropriate contact people. For additional suggestions and for assistance in launching special pressure campaigns, contact the Namibia Information Service.
