

LIFE DYNAMICS INCORPORATED

POST OFFICE BOX 2226 • DENTON, TEXAS 76202

Dear Friend,

THE ABORTION BATTLE HAS CHANGED FOREVER because Life Dynamics recently released the book Lime 5. This shocking exposé documents what's really going on inside of America's abortion clinics. It shows how young women are being raped, sexually assaulted, mutilated, and killed in abortion clinics while the media, the medical establishment, and the pro-choice community purposely looks the other way. An agency within the U.S. government is carrying out a massive cover-up of abortion industry disasters and Lime 5 shows how its done, why it's done, and who's doing it.

Believe it or not, there is a Christian long distance company willing to help Life Dynamics continue the necessary work of exposing the truth about the American abortion industry. Imagine: a phone company unashamed of its pro-life stance. "LifeLine" of AmeriVision Communications is that company.

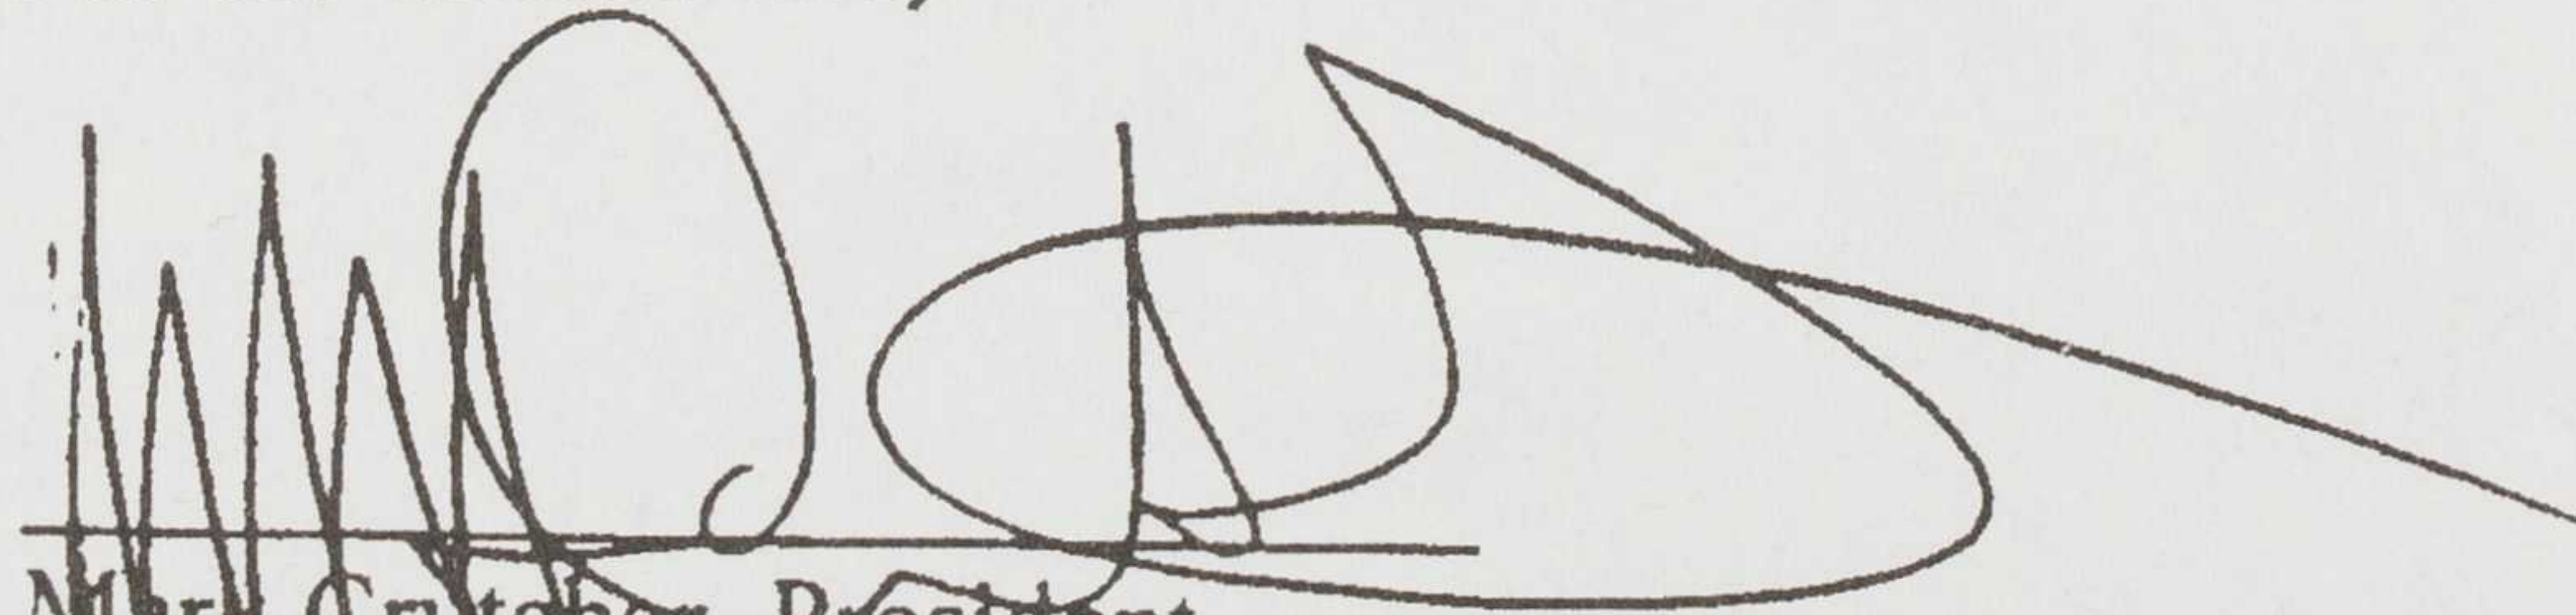

Won't you switch your long-distance service to LifeLine? The quality of service will be the same since LifeLine uses fiber optic lines.

1. **IT'S A GOOD DEAL FOR YOU.** Enjoy potential savings of 4% to 8% off of AT&T's standard tariffed rates and the simplicity of being billed through your local phone company.
2. **IT'S A GOOD DEAL FOR LIFE DYNAMICS.** 10% of your domestic long distance bill will come back to life Dynamics to help us defend the pre-born and their mothers.
3. **IT'S NOT A GOOD DEAL FOR MAJOR LONG DISTANCE COMPANIES** who care more about political correctness and giving your money to promote causes you do not support.

If you are ready to sign up, simply fill out the enclosed form or call 1-800-493-2002 and tell them you want to support Life Dynamics Incorporated (NPO 39568).

Please fill out the enclosed form, call the above phone number or wait for AmeriVision to call and help you painlessly switch over the phone. Thank you for your commitment to the pre-born and abortion injured-women.

For the Choice-less,

Mark Crutcher, President
