SUBJECT: Conversation with Mr. Dulane Terrett, Director of
the Latin-American Seminar Foreign Service
Institute, ~~in Brasilia April 26, 1967.~~

Mr. Terrett asked me to suggest names of outstanding Latin-American women to speak in the Women's Pavilion of Hemis-Fair to be organized next year in Dallas, Texas. I told him that some Latin-American women leaders had been invited to a luncheon last November hosted by Mrs. Perla Mesta and suggested perhaps that guest list would be useful.
