

REGISTRATION INSTRUCTIONS

Please *REGISTER* early for first choice of workshop. Camp accommodates only 130 people. Campers meeting the July 15 registration deadline will receive pre-camp information packets in early August. Packets show registration acceptance and amount pre-paid.

To simplify check-in, we encourage full payment with registration; as an incentive, the registration fee of \$50 per household or \$20 per individual will be waived when full payment is included. However, if your plans change and you are not able to attend, your camp fees will be refunded with the registration fee deducted.

People Camp functions best when the ratio of adults and teens to children is roughly two-to-one. It takes a certain number of teen and adult campers to keep camp clean, campers fed and children supervised. Applications with a large ratio of young children to adults will be accepted whenever enough adults have registered to maintain the balance.

You are invited to present an afternoon or evening interest group during free time. Bring your interests, talents and materials to share.
