AGAINST COMMUNIST RIOTS, PROPAGANDA, AND

SUBVERSION IN THIS COUNTRY AND ABROAD!

Dear Fellow American:

Somewhere in the sucking mud of Vietnam a tired American boy stands guard in the rain, wondering when he will get home again.

Halfway around the world, in the town where you live, the very same enemy that is killing American boys is at war with you, with your family, and your neighbors! That enemy is Communism. Its leaders have stated clearly and openly, again and again that they will take away your freedom, enslave your children, confiscate your home and your bank account, and turn them over to the State, destroy your way of life and replace your democracy with a Communist prison system.

So, while your husband or your son or your neighbor's son daily risks his life in Vietnam for the ideals which have made our country great, you and I have an equally important duty right here in America -- to fight the Communism which is as real, and as determined, and as organized here as it is in Vietnam.

That Communism exists and is active in our country is obvious...

...When you look closely at the elements of recent "Peace Demonstrations" (David Dellinger, ringleader of the Washington and Chicago demonstrations is an open, self-admitted Communist) ...

...When previously peaceful, law-abiding Negroes suddenly begin throwing molotov cocktails, burning, killing, looting and sniping all at the encouragement of people like H. Rapp Brown and Stokely Carmichael ...

...When obscene, slovenly, "American" youth deface, spit upon, and burn your country's flag...

...When university professors and college religious leaders encourage moral decay through marijuana smoking, LSD taking, and draft
